

Society of Retired Faculty and Staff

Grant and Award Program 2012 – 2013

The Society of Retired Faculty and Staff sponsors an annual grant and award program, supported by the BU Administration, enabling retired faculty and staff personnel to apply for support for research, education, and associated activities which may include attendance at professional conferences.

The program for the 2012 - 2013 is funded in the amount of \$2,500. Retired faculty and staff can apply for individual awards not to exceed \$500.

The overall purpose of the program is to provide financial assistance for both faculty and staff in their ongoing educational, creative and productive activities. There are no limitations as to the nature or character of such pursuits, but applications must include a summary of purpose and intent of the project, a breakdown of specific costs, and a time frame for completion of the project. Required information must include the member's social security number and address. This information should be provided on the form printed on the reverse side. A follow-up letter reporting the completion of the project also will be expected.

A three-person committee of the Board of Directors of the Society of Retired Faculty & Staff will review applications and determine awards.

The deadline for submission for 2012-2013 awards is March 1, 2012.

SOCIETY OF RETIRED FACULTY AND STAFF
