

Boston University Society of Retired Faculty & Staff

Mentor Volunteer Form

The Society is sponsoring a mentoring program for the benefit of BU students and retirees alike. The students will gain from your years of experience and retirees will have the rewards of mentoring a young person. Information about mentors will be collected by the Society and published on the Society's website. Included will be contact information and what experience and skills the mentor can offer. Time commitment is limited to 4 hours per month, unless the mentor chooses to give more. It will be the student's responsibility to contact a potential mentor to arrange a meeting place. If you would like to participate in this program, and have not already submitted such a form, please provide the information requested below and mail to Dick Vidale, 74 Overbrook Drive, Wellesley MA 02482-2248. Thank you.
