

HENRIK SELIN

Assistant Professor

Department of International Relations, Boston University

156 Bay State Road, Boston, MA 02215, USA

+1-617-358-2590 (phone), +1-617-353-9290 (fax), selin@bu.edu (e-mail)

Web: <http://people.bu.edu/selin>

PROFESSIONAL POSITIONS

- 2008- Fellow, Frederick S. Pardee Center for the Study of the Longer-Range Future, Boston University
- 2008- Affiliated Researcher, Center for Climate Science and Policy Research, Linköping University
- 2007- Director of Graduate Studies, Department of International Relations, Boston University
- 2004- Coordinator of the Master of Arts in International Relations and Environmental Policy program, Boston University
- 2004- Core Faculty, Center for Energy and Environmental Studies, Boston University
- 2004- Assistant Professor, Department of International Relations, Boston University
- 2003-04 Wallenberg Postdoctoral Fellow in Environment and Sustainability, Department of Water and Environmental Studies, Linköping University
- 2003-04 Associate, Center for International Development, John F. Kennedy School of Government, Harvard University
- 2003 Lecturer, Department of International Relations, Boston University
- 2001-03 Associate, Belfer Center for Science and International Affairs, John F. Kennedy School of Government, Harvard University
- 2001-03 Research Fellow, Research and Assessment Systems for Sustainability Program, Harvard University
- 2001-04 Wallenberg Postdoctoral Fellow in Environment and Sustainability, Department of Urban Studies and Planning, Massachusetts Institute of Technology
- 2000-01 Lecturer, Department of Thematic Studies, Linköping University

EDUCATION

- 1995-00 PhD, Department of Water and Environmental Studies, Linköping University
- 1991-95 BA/MA, Department of Political Science, Lund University

PUBLICATIONS

Books

- 4. B.-O. Linner and H. Selin. *Global Politics of Sustainable Development* (manuscript in preparation)
- 3. H. Selin. 2010. *Global Governance of Hazardous Chemicals: Challenges of Multilevel Management*. Cambridge: MIT Press (forthcoming January 2010)
- 2. H. Selin and S. D. VanDeveer (eds.) 2009. *Changing Climates in North American Politics: Institutions, Policymaking and Multilevel Governance*. Cambridge: MIT Press, 352 pages
- 1. M. A. Schreurs, H. Selin and S. D. VanDeveer (eds.) 2009. *Transatlantic Environment and Energy Politics: Comparative and International Perspectives*. Aldershot: Ashgate, 326 pages

Articles

- 13. H. Selin and N. E. Selin. 2008. "Indigenous Peoples in International Environmental Cooperation: Arctic Management of Hazardous Substances" *Review of European Community & International Environmental Law* 17(1): 72-83
- 12. H. Selin. 2007. "Coalition Politics and Chemicals Management in a Regulatory Ambitious Europe" *Global Environmental Politics* 7(3): 63-93
- 11. H. Selin and S. D. VanDeveer. 2007. "Political Science and Prediction: What's Next for U.S. Climate Change Policy?" *Review of Policy Research* 24(1): 1-27
- 10. H. Selin and S. D. VanDeveer. 2006. "Raising Global Standards: Hazardous Substances and E-Waste Management in the European Union" *Environment* 48(10): 6-18 [Re-printed in: M. V. Russo (ed.). 2008.

Environmental Management: Readings and Cases. Thousand Oaks: SAGE Publications, 2nd edition; C. A. Bily (ed.). 2009. *At Issue: What Is the Impact of E-Waste?* Farmington Hills: Greenhaven Press]

GRANTS AND FELLOWSHIPS

- 2008-09 Grant, the Erasmus Mundus Program of the European Union to spend one month as a Visiting Scholar at Lund University
- 2008-09 Research Grant, Swedish Foundation for Strategic Environmental Research for research on North American and Transatlantic climate change politics (with Stacy VanDeveer)
- 2007-09 Research Grant, Carbon Neutral New England 2020, New Hampshire Charitable Foundation for research on New England climate change politics and action (with Stacy VanDeveer)
- 2005-08 Jean Monnet European Teaching Module Grant, European Commission for the development of a joint graduate and undergraduate course on European environmental policy, Boston University
- 2005-06 Conference Grant, Canadian Embassy in Washington D.C. and the Energy Foundation in San Francisco, California for a conference at the Woodrow Wilson International Center for Scholars in Washington, D.C. on Climate Change Politics in North America (with Stacy VanDeveer)

- 2004-05 Research Grant, European Commission through the American Consortium on European Union Studies for research on transatlantic chemicals management
- 2003-05 Research Grant, Swedish Research Council for the Environment, Agricultural Sciences and Spatial Planning for research on sustainable development and the UN Conference on the Human Environment (with Björn-Ola Linnér)
- 2003 Research Grant, Swedish Foundation for Strategic Environmental Research and the research program New Strategy for Risk Management of Chemicals for research on European Union chemicals management (with Stacy VanDeveer)
- 2002 Research Grant, Swedish Foundation for Strategic Environmental Research and the research program New Strategy for Risk Management of Chemicals for research on Baltic and Mediterranean management of hazardous substances (with Stacy VanDeveer)
- 2001-04 Postdoctoral Fellowship Grant, Knut and Alice Wallenberg Foundation for research at the Massachusetts Institute of Technology and Linköping University
- 1999 Travel Grant, American Political Science Association for foreign senior scholars for participation in the 1999 Annual Meeting
- 1997-99 Research Grant (PhD dissertation project), Swedish Environmental Protection Agency; Foundation for Strategic Environmental Research; and the Swedish Council for Planning and Coordination of Research
- 1993-94 European Union Erasmus Grant, Attending University of Newcastle upon Tyne, United Kingdom

CONFERENCE PAPERS AND INVITED PRESENTATIONS

North American and US Climate Change Politics and Policy, Invited Presentation, European Environment Agency, Copenhagen, Denmark, June 2009

A Study In Planetary Management: North-South Politics of Sustainable Development, Guest lecture, Department of Physical Geography & Ecosystems Analysis, Lund University, Sweden, June 2009

Risk Management in Modern Societies: Chemicals Regulation in the European Union and the United States, Guest lecture, Department of Physical Geography & Ecosystems Analysis, Lund University, Sweden, June 2009

US Climate Change Policy in the Obama Era, Invited speaker and panelist, Institute for European Studies, Vrije Universiteit Brussel, Belgium, May 2009

The European Union Common Agriculture Policy, Invited speaker and moderator, Conference on The Future of Food: Transatlantic Perspectives, Institute for Human Sciences, Boston University, May 2009

Changing Climates in North American Politics: Institutions, Policymaking and Multilevel Governance, Invited speaker, Sustainability Lecture Series, University of New Hampshire, April 2009 (with Stacy VanDeveer)

Global Sustainability and Climate Change, Invited keynote speaker, Globalization & Pluralism Series, Longwood University, March 2009

North American Climate Change Governance: Past, Present and Future, Poster presenter, IARU International Scientific Congress on Climate Change, Copenhagen, Denmark, March 2009

Caps, Blocks and Schemes: Regional Greenhouse Gas Trading in North America in a Global Context, Paper presenter, Annual Convention of the International Studies Association, New York City, New York, February 2009 (with Stacy VanDeveer)

Global and Continental Climate Governance Challenges and Opportunities, Invited presentation, The Woodrow Wilson International Center for Scholars, Washington D.C., January 2009 (with Stacy VanDeveer)

Transatlantic Multilevel Relations and Climate Change Politics, Invited presentation, National Conference on Climate Governance, Miller Center of Public Affairs, University of Virginia, December 2008 (with Stacy VanDeveer)

Global and Continental Climate Governance Challenges and Opportunities, Invited presentation, National Conference on Climate Governance, Miller Center of Public Affairs, University of Virginia, December 2008 (with Stacy VanDeveer)

Global and European Climate Change Action Beyond Kyoto, Invited panelist, Massachusetts Climate Action Network Conference, Massachusetts Institute of Technology, November 2008

Chemicals Management in Transatlantic Perspective, Guest lecture, Environmental Science and Public Policy program, Harvard University, November 2008

Coalition Politics and Chemicals Management in a Regulatory Ambitious Europe, Invited presentation, Harvard University Center for Environment Workshop on Emerging Technologies and Regulatory Cultures, April 2008

Global Politics and Management of Hazardous Substances and Wastes, Paper presenter, Annual Convention of the International Studies Association, San Francisco, California, March 2008

International Law and Climate Change, Guest lecture, Boston University Law School, January 2008

The Death and Rebirth of Environmentalism, Invited workshop participant, Harvard University Center for the Environment, November 2007

Transatlantic Politics of Chemicals Management, Guest lecture, Environmental Science and Public Policy program, Harvard University, November 2007

Sustainable Development and the Millennium Development Goals, Invited panelist, Panel “UN Millennium Development Goals,” organized by the ONE Campaign at BU, Boston University, November 2007

Global Warming and Sustainability, Invited panelist, college student conference “Race to 2008,” Boston University, November 2007

Global Climate Change Politics, Invited presentation, Panel “Climate Change and Development: A Policy Perspective,” International Relations Week 2007, Harvard University, October 2007

The Significance and Implications of European Environmental and Energy Policies, Invited presentation, Roundtable, US Government Intelligence Community, Washington DC, September 2007

Global and Regional Politics of Climate Change, Guest lecture, Harvard Summer School, August 2007

U.S. Climate Politics in Transition, Invited presentation, Center for Climate Science and Policy Research, Linköping University, Sweden, June 2007

Climate Change Game, Invited participant, Geopolitical simulation, National Intelligence Council, Washington DC, May 2007

Climate Change Policy Innovation and Emulation among the States, Invited presentation, the conference “States and Climate Change: Leaders or Lab Rats?,” Woodrow Wilson School of Public & International Affairs, Princeton University, March 2007 (with Stacy VanDeveer)

Science and Politics of Global Climate Change, Invited presentation, WorldBoston 2007 Great Decisions Lecture Series, Boston Public Library, March 2007

Chemicals Management in a Regulatory Ambitious Europe, Paper presenter, Annual Convention of the International Studies Association, Chicago, Illinois, March 2007

- U.S. Climate Change Politics from Below*, Paper presenter, Annual Convention of the International Studies Association, Chicago, Illinois, March 2007 (with Stacy VanDeveer)
- U.S. Federalism and the Politics of Climate Change*, Guest lecture, Watson Institute for International Studies, Brown University, February 2007
- Sustainable Development and Forest Management*, Invited presentation, Harvard National Model United Nations, Boston, February 2007
- Global Institution-building and Chemicals Management: The Roles of Canada, the European Union, and Japan*, Paper presenter, the conference “Minerva’s Moment: Japan, Canada and the EU in Global Institution-Building,” University of British Columbia, Vancouver, August 2006
- Transatlantic Politics of Chemicals Management*, Paper presenter, Sixth International CISS Millennium Conference, The Hague, Netherlands, July 2006
- Climate Change Leadership in Northeast North America*, Invited presentation, the conference “Climate Change Politics in North America,” The Woodrow Wilson International Center for Scholars, Washington D.C., May 2006 (with Stacy VanDeveer)
- Global Politics of Sustainable Development*, Paper presenter, Annual Convention of the International Studies Association, San Diego, California, March 2006 (with Björn-Ola Linnér)
- UN Reform*, Invited presentation, WorldBoston 2006 Great Decisions Lecture Series, Boston Public Library, March 2006
- European Over-REACH?: Efforts to Revise European Union Chemical Legislation and Regulation*, Paper presenter, Conference on Human Dimensions of Global Environmental Change, Berlin, Germany, December 2005
- Transatlantic Politics of Chemicals Management*, Invited presentation, Center for Transatlantic Relations, Paul H. Nitze School of Advanced International Studies, Johns Hopkins University, November 2005
- “Only 113 Earths:” The Politics of Sustainable Development and Efforts to Link Environment and Development*, Paper presenter, VI Nordic Environmental History Conference, Turku, Finland, September 2005 (with Björn-Ola Linnér)
- Local Leadership: North American Climate Change Action from Below*, Paper presenter, Annual Convention of the International Studies Association, Honolulu, Hawaii, March 2005 (with Stacy VanDeveer)
- EU-U.S. Politics and Chemicals Management*, Paper presenter, Annual Convention of the International Studies Association, Honolulu, Hawaii, March 2005
- U.S.-Canadian Environmental Cooperation: Climate Change Policy in the States and Provinces*, Invited presentation, the conference “The State of Canada-U.S. Relationship,” The Woodrow Wilson International Center for Scholars, Washington D.C., November 2004 (with Stacy VanDeveer)
- The Interplay of Science and Politics in International Environmental Cooperation and Policy Making*, Guest lecture, M.I.T., Tufts, and Harvard University graduate course, November 2004
- EU-U.S. Politics and Chemicals Management*, Paper presenter, the workshop “Environmental, Agricultural, and Trade Politics across the Atlantic,” Massachusetts Institute of Technology, July, 2004
- Climate Policy from Below: U.S. States, Canadian Provinces and Regional Climate Change Action in the Northeast*, Invited presentation, Department of Urban Studies and Planning Student Forum, Massachusetts Institute of Technology, April 2004 (with Stacy VanDeveer)
- The Thirty-Year Quest for Sustainability: From Stockholm to Johannesburg*, Paper presenter, Joint Annual Conference of the American Society for Environmental History and the National Council on Public History, Victoria, British Columbia, April 2004 (with Björn-Ola Linnér)

- EU-U.S. Relations and Chemicals Management*, Paper presenter, Annual Convention of the International Studies Association, Montreal, Quebec, March 2004
- The Thirty-Year Quest for Sustainability: A Historical Look at Early Efforts on Environment and Development*, Invited presentation, Department of Water and Environmental Studies, Linköping University, February 2004 (with Björn-Ola Linnér)
- Regional U.S.-Canadian Climate Change Cooperation*, Invited presentation, Center for Energy and Environmental Studies, Boston University, November 2003
- Global Challenges and Regional Responses in North America: U.S.-Canadian Regional Cooperation on Climate Change Action*, Paper presenter, 2003 Open Meeting of the Human Dimensions of Global Environmental Change Research Community, Montreal, October, 2003 (with Stacy VanDeveer)
- How It All Began: Global Efforts on Sustainable Development from Stockholm to Rio*, Paper presenter, 6th Nordic Conference on Environmental Social Sciences, Åbo, Finland, June 2003 (with Björn-Ola Linnér)
- The Thirty-Year Quest for Sustainability: A Historical Look at the 1972 Stockholm Conference and Beyond*, Invited presentation, Science and Technology for Sustainable Development Seminar Series, John F. Kennedy School of Government, Harvard University, June 2003 (with Björn-Ola Linnér)
- The Thirty Year Quest for Sustainability: The Legacy of the 1972 UN Conference on the Human Environment*, Paper presenter, Annual Convention of the International Studies Association, Portland, Oregon, February 2003 (with Björn-Ola Linnér)
- The Arctic Vulnerability Study: A Strategy for Studying Vulnerabilities of Coupled Human-Environment Systems*, Invited presentation, Environmental Policy Group, Massachusetts Institute of Technology, November 2002
- Hazardous Substances and the Helsinki and Barcelona Conventions: Origins, Results and Future Challenges*, Invited presentation, Policy Forum Management of Toxic Substances in the Marine Environment: Analysis of the Mediterranean and the Baltic, Javea, Spain, October, 2002 (with Stacy VanDeveer)
- The Arctic Vulnerability Study and Environmental Pollutants: A Strategy for Future Research and Analysis*, Paper presenter, Second AMAP International Symposium on Environmental Pollution of the Arctic, Rovaniemi, Finland, October, 2002 (with Noelle Eckley)
- The Arctic Vulnerability Study: A Strategy for Studying Vulnerabilities of Coupled Human-Environment Systems*, Invited presentation, Institute of Arctic Studies, Dartmouth College, May 2002 (with Noelle Eckley)
- Science and Politics in International Environmental Assessments and Cooperation*, Invited presentation, Laboratory for Energy and the Environment, Massachusetts Institute of Technology, March 2002
- Governance for Sound Chemicals Management: The Need For a More Comprehensive Global Strategy*, Paper presenter, Annual Convention of the International Studies Association, New Orleans, March 2002 (with Jonathan Krueger)
- Sustainable Development and Globalization: The Stockholm Legacy*, Invited presentation, Nature & Culture Seminar, University of Kansas, February 2002 (with Björn-Ola Linnér)
- Science and Politics in International Environmental Assessments and Cooperation*, Invited presentation, Environmental Policy Group Seminar Series, Massachusetts Institute of Technology, November 2001
- Science, Politics and POPs*, 5th Nordic Environmental Research Conference, Aarhus, Denmark, June 2001 (with Noelle Eckley)

A Tale of Toxic Toils: International Institutional Linkages to Promote Chemical Safety, Paper presenter, Annual Meeting of the American Political Science Association, Atlanta, September 1999 (with Jonathan Krueger)

A Tale of Two Cities: Brussels, Geneva and Combating European Air Pollution, Paper presenter, Annual Meeting of the American Political Science Association, Atlanta, September 1999 (with Stacy VanDeveer)

Catching Up With Chemicals: The UN and Efforts to Promote International Chemical Safety, Paper presenter, Annual Convention of the International Studies Association, Washington D.C., February 1999 (with Jonathan Krueger)

Theoretical Starting Points for a Case-Study of Two International Processes on Persistent Organic Pollutants (POPs), Invited participant, Symposium on the Innovation of Environmental Policy, University of Bologna, Italy, July 1997

TEACHING EXPERIENCE
