

Boston University International Student Data Form

This form must be completed by all international students applying for admission. Please answer all of the questions completely and return the form with the requested financial documentation and copies of U.S. immigration documents (if applicable) to the Admissions Office reviewing your academic application. Once you have been admitted to a program of study (and, in some cases, once you have formally accepted the offer of admission), the Admissions Office will send this form, the supporting documents, and a file to the Boston University International Students & Scholars Office (ISSO). Once your file has been reviewed and determined to be complete, the ISSO will forward an official immigration document to you with instructions on how to apply for the student visa at the nearest U.S. Embassy or Consulate. If you are currently in the U.S., the ISSO will forward specific immigration instructions to you to facilitate your enrollment.

It is recommended that you request multiple copies of the documentation listed below to submit at the point of visa application and to retain for your records.  1. A letter of sponsorship which indicates that your sponsor is willing and able to support you financially for your academic fees and living expenses throughout the duration of your studies at Boston University. The letter must also indicate the sponsor's relation to you (i.e.: mother, father, etc.)
 2. An official bank statement or letter or credit reference from a bank stating the availability of the minimum estimated expenses as indicated on the Estimate of Expenses.
- If you will be funded by your government, an organization, a company, etc., the sponsor must submit a letter of sponsorship on official letterhead which states:

- If you have received a financial award from Boston University (i.e., Fellowship, Assistantship, Scholarship, etc.) you may not need to provide additional financial documents if the award will meet or exceed the Estimate of Expenses.
- If you will be funded in a manner not listed above (for example, if you will fund yourself), you must submit official documentation (a bank statement or a credit reference from a bank) indicating the specific amount.
