

Boston University School of Law presents

Lansing Crane '70

CEO and Chairman of Crane Paper Company

Topics include:

Other Venues for Lawyers

Crane Co. has been a leader in developing paper-based counterfeit deterrents, such as advanced security threads, watermarks, planchettes, security fibers and special additives.

Literally Making Money

Crane's company actually produces the paper that US currency is printed out (as well as wonderful stationery).

Perpetuating a Family Business

Crane is the CEO of a 200 + year old family owned and run company.

January 29, 2007

1 pm - 2 pm

Barristers Hall

Lunch will be provided
