CAS LX 120

LANGUAGE AND MUSIC

TR 12:30 - 1:45
FALL 2019

Instructors: Charles Chang & Daniel Erker

No prerequisites

CAS Divisional Studies: Humanities
HUB Units: Aesthetic Exploration
Scientific Inquiry I
Research and Information Literacy

Is the co-occurrence of music and language in human societies coincidental or inevitable?

This course examines this question by
- defining what language and music are,
- exploring their structural similarities and differences, and
- surveying global diversity in musical and linguistic expression.
