

Assistant Professor in Dynamical Systems

The Department of Mathematics and Statistics at Boston University invites applications for a tenure-track Assistant Professor in Dynamical Systems. Ph.D. required, salary commensurate with experience. The position will begin in July 2018. Strong commitment to research and teaching at the undergraduate and graduate levels is essential. Boston University expects excellence in teaching and in research and is committed to building a culturally, racially and ethnically diverse scholarly community. Please submit all materials to mathjobs.org.

Alternatively send a cover letter, curriculum vitae, research statement, teaching statement, and at least four letters of recommendation, one of which addresses teaching, to Dynamical Systems Search, Department of Mathematics and Statistics, Boston University, 111 Cummington Mall, Boston, MA 02215. Application Deadline December 1, 2017. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law. We are a VEVRAA Federal Contractor.
