Ph.D. DISSERTATION DEFENSE ABSTRACT

This form must be submitted to the Engineering Graduate Office, room 112, with one copy of the dissertation abstract (maximum of 350 words) which has been approved by your Major Professor. Please confer with your Departmental Graduate Coordinator to determine if a departmental review of this abstract is required.) This must be received by the Engineering Graduate Office at least three weeks in advance of the defense of the dissertation. You will be notified of the abstract approval or if revisions are required. Upon approval the schedule of the final oral examination and one copy of the abstract must be submitted to the Engineering Graduate Office. These must be received at least two weeks in advance of the defense date. Please type or print clearly.
