SCIENCE AND ENGINEERING DAY 2010

Date: Tuesday, March 30, 2010 **Poster Hanging:** 9:30 a.m.

Poster Judging: 11 a.m. to 3 p.m. **Awards Announcement:** 4 p.m.

Location: Metcalf Hall, George Sherman Union

Graduate students' scientific research on the Charles River and Medical Center campuses will be honored and displayed at the University-wide Science and Engineering Day. The best presentations will receive honoraria, with matching awards to the recipients' respective laboratories.

PRESIDENT'S AWARD | Provost's Award | CELEST Award for Computational Modeling of Brain and Behavior | CELEST Award for Experimental Neuroscience of Brain and Behavior | Office of Technology Development Award | CenSSIS Award | CISE Award | Photonics Center Berman Future of Light Award | Award for Applied Science

DEANS' AWARDS: College of Engineering | Goldman School of Dental Medicine | Graduate School of Arts & Sciences | Sargent College | School of Medicine | School of Public Health

ELIGIBILITY: Open to all graduate students currently engaged in scientific research in a degree-granting program at Boston University. Postdoctoral fellows are invited to present research posters, but they are ineligible for awards.

ABSTRACT FORMS AND INSTRUCTIONS: Abstracts must be submitted electronically by 11:59 p.m. on Friday, March 12, 2010, through <http://www.bu.edu/phpbin/scienceday/students/>. The abstract should contain: 300 words or less; a title in capital letters; and the investigator's and faculty research advisor's names and affiliations.
