

# Summer Tutor/Mentor Opportunities with Upward Bound

Upward Bound and Upward Bound Math/Science are federally-funded programs that help low-income and potential first-generation college bound high school students from Boston and Chelsea prepare for college. Program services include an academically intensive six-week summer residential program, as well as afterschool tutoring and enrichment classes during the school year. The programs work with about 125 students in grades 9-12.

***Info Session
