

Are you looking for the perfect location for your holiday gathering?

Sargent Center, an environmental education facility located in the quiet woods of Hancock, NH, can provide the ideal setting.

With **exposed wooden beams** and a **large stone fireplace**, Sargent Center is ideal for a traditional New England holiday. Our **built-in sound system** can handle your entertainment needs from background music to dancing.

ARAMARK catering can provide just the right menu customized to your needs from basic hors d'oeuvres to elegant plated dinners. Our culinary team, led by **Catering Chef Victor Beguin**, will make your gathering a memorable experience.

Sargent Center provides a unique opportunity to enjoy one of the finest event locations in the area, while helping to support and promote environmental education in the Monadnock Region.
