

This form is required of all students who have changed the original date of their defense. If you have already submitted a copy of your Paper Proposal and it has not changed, you do not need to resubmit it. If your paper has changed substantially, attach a copy of a new proposal. This form is due on the same date as paper proposals. The form must be signed by your advisor prior to submission to the department. If you do not hear otherwise, your change of defense date has been approved.
