

This form is required to notify the Pardee School of your MA Paper topic and advisor. Attach a copy of your Paper Proposal to this form and submit it to your MA Paper advisor for signature. Then submit this form and the proposal to the Graduate Programs Administrator by the posted deadline, for Pardee School review. If you do not hear otherwise, your proposal has been approved. If you change your defense date, you will need to submit a Change of Defense Date form with your advisor's signature and (if your paper has changed substantively) a new Paper Proposal.
