

Pardee/Army War College Roundtable

*Interested in issues of national security,
counterinsurgency, and the use of military force?*

Join Amb. Loftis for a roundtable discussion with three visiting students from the United States Army War College and engage with U.S. military officers who are directly involved in the key issues of our day.

Thursday, April 11, 3:00-5:00 p.m. at 121 Bay State Road

Topics to be discussed: Deterring Russia in the Baltics, Artificial Intelligence and the Future of War/Autonomous Lethal Systems, Shaping Success: the Need for Negotiation Skills in America's NATO Officers
