

Instantly Yours:

A One of a Kind Exhibition of Instant & Instagram Photography

Thank you for helping to kick off the 40th Anniversary of the PRC by taking part in *Instantly Yours!* We are excited to have you. Please complete the information below and submit it to the attendant at the front desk.

A FEW LOGISTICS: We will accept prints starting in early January, via drop off Thursdays & Fridays, during regular PRC hours, or UPS mail. Instant prints must be the Classic size, shape, and aspect ratio and we also welcome the use of outdated film or manipulation. Please read over and follow the below guidelines to the right carefully. We are hoping to share all images on our Instagram (@prcboston) + on Twitter using the hashtag, #InstantlyYoursPRC. In addition to these options, members may also print their own images in two ways:

- 1.) Digitally to their own ink jet papers, so long as our Instant-inspired template is used, which can be downloaded from our website.
- 2.) Attend one of our Instagram-to-Impossible making events, Nights at the PRC, or email us to create one using the Instant Lab, provided generously by The Impossible Project!

NOTE ON PICKUP: Work must hang for the run of the show. You can pick up purchased work during the Closing/Pick Up Party on Feb.18th, 5:30-8pm, or after the exhibition closes. Unsold work can either be picked up that day, or after the exhibition closes. (we're cooking up a unique idea... stay tuned.)

To be fair to all, we have come up with a few rules:

- You must be a current member of the PRC to participate. Join our growing community on our website.
- You can display up to 4 instant images total (1, 2, 3, or 4) in any combination (2 Polaroid, 2 Instagram-to-Impossible, etc.), but no more than 4.
- Works must be your own, or if appropriated, sufficiently altered to qualify as your own artwork.
- Images should be unframed, unmounted, i.e., loose prints.
- If using instant film, we encourage straight and experimental: using outdated, or manipulating in other ways within the frame so long as it adheres to the format and guidelines.
- Please do not sign on the front, only the back if you so choose. We will be taping the required form to the back to identify your prints, including title, date, website, Instagram handle, etc.
- You may print your own Instagram images on inkjet using a provided template, or print it on Impossible film at the PRC or at home.
- Inkjet prints **MUST** be sized exactly 3.5 x 4.2 inches with image area 3.1 x 3.1 inches, see the template that you can download on our website.
- Please fill out 1 form per piece; if you are showing 4 images, you'll need 4 forms.
- The PRC is not responsible for any damage to the work (or yourself).
- The PRC reserves the right to refuse any image that it deems inappropriate.
- All work must be for sale and at \$40, with proceeds split 50/50, with half going to the artist, half to support PRC programming.
- Work must hang for the duration of the exhibition.
