**BOSTON, MA:** The Photographic Resource Center is proud to announce the *2009 PRC Student Exhibition*. Photography has always flourished in New England's educational institutions, making this area celebrated within photohistory. As a tribute to regional emerging talent, the student show honors academic diversity and thus features about 100 works juried by the schools themselves. Below are the 19 schools that are currently Institutional Members of the PRC. Their students use the PRC as an extension of the classroom—visiting exhibitions, attending lectures, using our library. The PRC was founded on this sense of community and we continue to honor it here.
