

Annual Report on Program Student Learning Outcomes Assessment

Program: BA in East Asian Studies

Program Contact and Title: Min Ye, Director, East Asian Studies

College/School Contact and Title: Susan Jackson, Associate Dean

Date: October 2013

1. List the learning outcomes for the program

Students graduating with a major in East Asian Studies are able to:

1. Demonstrate advanced knowledge of history, politics, religions, arts, and regional issues in East Asia
2. Demonstrate proficiency in reading, writing, speaking, and comprehending at least one East Asian language, such as Chinese, Japanese, or Korean.
3. Demonstrate cultural competence sufficient to function in Asia, either through coursework or (preferably) through study abroad in the region
