

Annual Report on Program Student Learning Outcomes Assessment

Program: BA in English

Program Contact and Title: Gene Jarrett, Chair, Department of English

College/School Contact and Title: Susan Jackson, Associate Dean

Date: October 2013

List the learning outcomes for the program

Students graduating with a major in English are expected to demonstrate:

1. A critical understanding of English and American literary culture and its traditions
2. A critical understanding of at least one area of literary study outside of the English and American canons
3. Proficiency in written literary analysis, interpretation, and research
4. Proficiency in the oral discussion of literature
5. A deepened understanding of literary culture through study abroad, if that is feasible
