

Annual Report on Program Student Learning Outcomes Assessment

Program: BA in French & Linguistics

Program Contact and Title: Nancy Harrowitz, Chair, Department of Romance Studies

College/School Contact and Title: Susan Jackson, Associate Dean

Date: October 2013

List the learning outcomes for the program

Students graduating with a major in French & Linguistics are able to demonstrate:

1. An understanding of the fundamental questions that drive modern linguistic research concerning formal structure, universals, acquisition, historical change, variation, and social dimensions of use
2. Foundational knowledge in the core areas of linguistic theory, including phonetics, syntax, and semantics
3. Proficiency in the French language at the advanced-low level as measured by ACTFL guidelines, with respect to reading, writing, speaking, and understanding of spoken French
4. Critical and analytical engagement with French/Francophone cultural and literary traditions, practices, genres, and great works
5. Linguistic mastery of some aspect of modern-day French (phonetics, phonology, syntax) or of the historical development of the language
