

Annual Report on Program Student Learning Outcomes Assessment

Program: MA in Economics

Program Contact and Title: Bart Lipman (Chair)

College/School Contact and Title: Jeffrey Hughes (Associate Dean, GRS)

Learning Objectives

Students graduating with an MA in Economics are expected to:

1. Demonstrate a thorough understanding of fundamental economic principles and be able to apply these ideas to analyze public policies, business practices, and real-world events.
2. Have the ability to apply mathematical methods, through modeling and large-scale data analysis.
3. Acquire in-depth knowledge in several areas of economics, as well as a broad perspective on the subject.
4. Be able to conduct scholarly and/or non-academic work in a professional and ethical manner.
