

Annual Report on Program Student Learning Outcomes Assessment

Program: MA in International Relations and Environmental Policy

Program Contact and Title: Andrew Bacevich (Chair)

College/School Contact and Title: Jeffrey Hughes (Associate Dean, GRS)

Learning Objectives

Students graduating with an MA in International Relations and Environmental Policy are expected to:

1. Possess a broad mastery of international relations and environmental policy
2. Demonstrate in-depth expertise on at least one significant global issue.
3. Be prepared for successful careers as international relations professionals
4. Be able to recognize and analyze the impact of environmental issues on international affairs, while identifying and analyzing challenges to environmental protection.
