

## Annual Report on Program Student Learning Outcomes Assessment

Program: MM in Historical Performance, School of Music, CFA

Program Contact and Title: Peter Sykes, Associate Professor, Department of Performance and Applied Study

College/School Contact and Title: David Kopp, Associate Director for Academic Affairs

1. List the learning outcomes for the program (if you are new to program assessment, you might want to begin with 3-5 primary outcomes):

Students in the MM program in Historical Performance will:

- Develop advanced performance techniques and skills in the area of concentration
- Develop knowledge and technical command of historical performance practices
- Acquire broad music-historical knowledge, with a particular focus on the 17th and 18th centuries
- Develop proficiency in fundamental music-analytic and research techniques
- Develop skills in verbal and written communication of musical ideas and concepts
- Develop capacity for artistic judgment and acquire skills for navigating the professional world
