

Annual Report on Program Student Learning Outcomes Assessment

Program: *Early Childhood Education (BS, Ed.M.)*

Program Contact and Title: *Jane Lannak, Program Director*

College/School Contact and Title: *SED Donna Lehr, Associate Dean – Academic Affairs*

Learning Outcomes: *Ed.M., Early Childhood Education*

Students will

1. Plan, teach, reflect, and adapts instruction based on knowledge of child development
2. Demonstrate interactions with children that support motivation, curiosity, and interest
3. Design a learning environment that honors unique ideas and provides children with opportunities to construct their knowledge, learning through both failure and success
4. Demonstrate ability to effectively reflect on their practice and make appropriate changes, both after-the-fact and in-the-moment
5. Provides instruction that shows evidence of both deep content knowledge and understanding of how young children learn (ages 2 to 8)
6. Demonstrates an ability to initiate and develop a respectful relationship with all children and their families
7. Recognize the negative impact that social and personal biases have on teaching and interactions with families and makes appropriate adjustments
8. Engage in a professional manner with colleagues, children, and families
