Boston University Program Learning Outcomes Assessment Rubric for Evaluating Assessment Plans

	_
Program	Date
i logiani	Date

	Missing	Does Not Meet Standard	Meets Standard	Exceeds Standard	Recommendations
Mission	Ū	□Statement does not clearly describe the program's purpose	□Clearly states broad aspects of the program's function □Aligned with University Mission	□Includes purpose, primary functions, activities, and stakeholders □Differentiates from missions of other units or divisions □Expands on the university mission	
Outcomes		□Not aligned with mission or □Not measurable; □Outcomes are "bundled" or expressed in statements that include multiple outcomes	□Aligned with and specific to the program's mission □Clearly measurable and □Expressed in language that focuses on what students will be able to demonstrate	□Includes initiatives that resulted from previous assessments □Is responsive to new information or changing environment	
Methods/ Measures		□Do not match outcomes or □Does not describe data collection process	□Content to be assessed fits outcomes and □Data collection process is briefly described □Both direct and indirect measures are used	□Designed to promote improvement □Clearly articulated rationale described □Designed to identify areas for improvement □plan presents multiple assessment methodologies	
Findings		□Not aligned with measures □Description/results missing	□Findings entered for each measure □Status of finding indicated and clearly described □Appropriate evidence is presented	☐Multiple periods of data are available ☐Trends or patterns over time are discussed ☐Dissemination of results to appropriate stakeholders has been completed	
Actions (use of results)		□Not aligned with outcomes □Does not describe intended improvements	□Action plan is developed from findings and aligned with outcomes □Clearly describes intended improvements □Program shows use of assessment results for improvement	☐Responsibilities for actions are assigned ☐Target implementation date for action is stated ☐Implemented and planned changes are described and linked to assessment data (if no changes are reported, an explanation is provided)	
Reporting		□Annual report is not complete or not up to date	□Report is complete (all questions answered) and up to date	□Plan is clearly presented in the annual report and describes a full assessment cycle for all outcomes. □Additional documentation describes methods, findings, and actions taken in more complete detail. □Report shows continuity with previously submitted reports
