

Annual Report on Program Learning Outcomes Assessment

Program: PhD in Mechanical Engineering

Program Contact and Title: Alice White, Ph.D., Chair of Mechanical Engineering, aew1@bu.edu

College/School Contact and Title: Elise Morgan, Ph.D., Associate Chair for Graduate Programs, efmorgan@bu.edu

Date: November 15, 2015

1. List the learning outcomes for the program:

- Make an original and substantial contribution to the discipline of mechanical engineering as demonstrated by the completion of a PhD thesis
- Demonstrate the ability to conduct advanced independent research by mastering research methodologies and techniques, by synthesizing existing knowledge, by analyzing and evaluating one's findings, and by communicating the results to other researchers.
