

Time to Program Completion

Program Costs

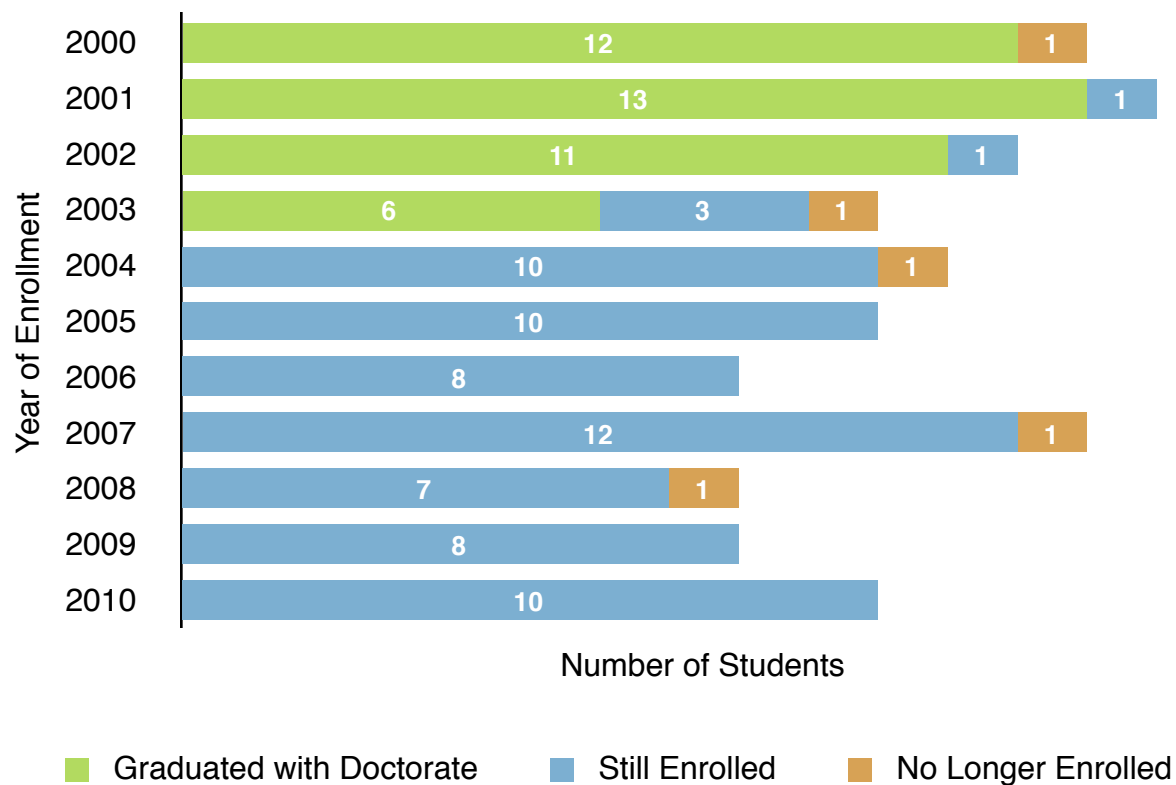

Full-Time Tuition*	\$39,508
Medical Insurance	\$1,676
Student Union Fee	\$194
Health Services Fee	\$208
Registration Fee	\$40/semester
*We do not have part-time students	

Our goal is to provide financial support for all of our doctoral students during at least their first three years in the program (the time during which the large majority of students complete their required course work). Teaching fellowships and research assistantships are paid over 8 months for the academic year. The stipend amount for 8 months is \$18,800. The teaching fellowships and research assistantships cover full tuition and medical insurance.
