TYPES OF RESOURCES

- **Merit Scholarships** All full-time applicants are automatically considered for merit scholarships, which are determined by the Admission Committee. Recipients are notified at the time of acceptance in their official acceptance packet.

- **Federal Direct Stafford Loan** This federal program offers a low-interest loan to students for educational expenses. For most current interest rates and loan fees for both the Direct Stafford and the Federal Graduate PLUS, please visit the [U.S. Department site](#).

  *Unsubsidized Direct Stafford Loan is one in which the government will not make any interest payments so interest accrues after loan disbursement and may be paid by students while in school or deferred until repayment. The maximum loan limit is $20,500 per academic year.*

- **Federal Graduate PLUS Loan** Available to U.S. citizens and U.S. permanent residents who qualify as creditworthy. This is a 2nd loan option in addition to the Stafford loan. Application for this loan is a second step after the initial Direct Stafford loan has been awarded. Applications are available in May.

- **Private Educational Loans** Available to U.S. citizens and Permanent Residents who qualify as creditworthy. International students, however, must apply with a creditworthy U.S. citizen cosigner, or U.S. Permanent Resident with a U.S. based address, unless using a lender who does not require a co-signer. - **Private Scholarships** These are not affiliated with Boston University. Students are required to research and apply on their own.
