

"Singing and Praying for JustPeace"

RCT Fall Retreat with Dr. Ruth Duck 10/04/14

Join us as we explore the relationship between music and justpeacebuilding with Dr. Ruth Duck, hymn writer, UCC pastor, professor of worship at Garrett Evangelical Theological Seminary and graduate of Boston University School of Theology where she earned her doctorate in theology.

Together we will explore her hymns of healing, social justice and peacebuilding: what motivated her; what concerns she was expressing; what issues she encountered as a hymn writer--and we will sing these songs.

She will guide us in thinking about rituals of reconciliation.

During the second half of the retreat we will learn how to write a hymn and have the opportunity to discover our own creativity and the power of our faith in song.

Join us for song, conversation, and creative justpeacebuilding!
