## **Safety Information**

All policies: <http://www.bu.edu/dos/policies/lifebook/residential/>

\*Doors should be locked even when rooms and apartments are left for only a few minutes. Valuables should not be left where they can be easily stolen, and should be taken home during vacations and recess periods. Common sense – more than anything else – determines safety.

## **Guest Policy Information**

Full policy: <http://www.bu.edu/dos/policies/lifebook/residential/>

- Guests are only permitted with the consent of a resident's roommates(s). Students are expected to communicate with each other to work out arrangements for guests within a shared room, suite, or apartment.
- A guest is an individual who is not assigned to said resident's room, suite, or apartment. A resident host is a resident student who signs a guest into the residence to which they are assigned. An overnight guest is a guest who visits between the hours of 2am and 7am (or any fraction thereof).
- A resident may have no more than three (3) guests at a time, and guests may stay in a room, suite, or apartment no more than three consecutive nights.
- At all times, residents are responsible for the conduct and activity of their guests, including any damage caused to University property and violations of policies for student residences.
- No overnight guests are permitted during the first two weeks of the academic year, and during study and final examination periods.
