

**Sargent College of Health and Rehabilitation Sciences
Process to declare a minor:**

If you would like to declare a minor, please follow the guidelines below:

- 1) Discuss the minor with an Academic Counselor (appointments scheduled through the Academic Services Center, SAR room 207). This will help you determine whether a specific minor fits your interest areas and will work within your chosen major coursework. Questions regarding the process for declaring a minor will be answered in this meeting.
- 2) Obtain your faculty advisor's signature on the Minor Declaration Form.
- 3) Obtain a signature on the Minor Declaration Form from an advisor in your chosen minor.
- 4) Return the form to the ASC office, Room 207 Sargent College.
- 5) The minor will appear on your Student Link degree advice after the form is turned in with appropriate signatures.
- 6) If all required coursework is completed before graduation, your minor will become a permanent part of your transcript. If you are missing any coursework to complete the minor, it will be removed from your record, and will not appear on your transcript.
