Final pass/fail grades for clinical experiences are determined by academic faculty, and consist of the following:

- Completion and submission of Weekly Planning Forms
- Completion of /participation in all assignments on the Blackboard PT793 2015 course web-site including Core Values
- Grading and comments on the Clinical Performance Instrument (CI and student)
- Any and all anecdotal records/critical incident reports written to address professional behavior issues and/or performance that may accompany the Clinical Performance Instrument
- Recommendations of the CCCEs and CIs

Please do not hesitate to e-mail Erin Riley erileypt@bu.edu or Mary Beth Holmes mbholmes@bu.edu with any questions, concerns, or issues regarding student performance.
