Academic Advising

Advising is an important part of the teaching mission of BU and students engage in exploring a range of academic and co-curricular opportunities as part of a plan to realize their academic, career, and life goals. At Sargent, advising is a collaborative process involving academic counselors, peer mentors and faculty.

You are always welcome to drop by the Academic Services Center (ASC) in room 207, to send an email message sarugrad@bu.edu or to call 617-353-2713 to make an appointment and meet with any of us. There is helpful information on our website www.bu.edu/sargent/current-students/. Here’s the ASC team:

- **Christopher Conley** is the Senior Staff Coordinator
- **Heather Nicholson** is the Assistant Director for Freshmen and Sophomores. She advises students about minors and study abroad, coordinates transfers within Sargent and continuation from CGS.
- **Deborah Claar** is the Assistant Director for Juniors and Seniors. She coordinates intra-university transfers, external transfers and dual degrees, as well as the Sargent Honor Society.
- **Sharon Sankey** is the Assistant Dean for Academic Services.
- **Melanie Matthies** is the Senior Associate Dean for Sargent College

Your program's director can help with specifics about your major:

- **Behavior & Health**
  - Prof. Nancy Lowenstein
  - ot@bu.edu

- **Health Science**
  - Prof. Bria Dunham
  - hscience@bu.edu

- **Human Physiology**
  - Prof. Judy Schotland
  - hphys@bu.edu

- **Nutrition**
  - Prof. Michele DeBiasse
  - debiasse@bu.edu

- **Physical Therapy**
  - Prof. Diane Heislein
  - pt@bu.edu

- **Speech, Language & Hearing Sciences**
  - Prof. Ann Dix
  - slhs@bu.edu

- **Undeclared**
  - Prof. Melanie Matthies
  - matthies@bu.edu

Your faculty advisor is listed on the Student Link or check with the ASC. Their primary roles are to:

- Monitor your academic progress in all aspects of your graduation requirements.
- Help with course selection and registration
- Serve as a resource for career, research and/or professional issues

Your Peer Mentor will contact you over the summer and meet with you at the Sargent Orientation on 9/3/18. These trained volunteers serve as role models and guides; they give advice about effective ways to make the most of the college experience. All Peer Mentors are supervised by the ASC Assistant Directors.

GUIDELINES FOR ADVISING
You have many options for getting advice from people at Sargent and BU. Here are some suggestions:

a) Be **proactive** about exploring your interests and options. Talk to your peer mentor; use the BU website, the BU Bulletin and departmental manuals for information. **Ask questions** as soon as an issue arises; procrastination can cause a small glitch to become a major problem. Refer to www.bu.edu/sargent/current-students/academic-services-center/ to see your resources.

b) Go to established office hours or **make an appointment**. You are welcome to drop by the ASC (room 207) but stopping by someone’s office unexpectedly can cause frustration for everyone.

c) Acknowledge that making decisions and completing your degree is **your responsibility**. Let others help you with advice and support in this process by **preparing** for your meetings and periodically evaluating your academic, career and personal goals.

BU-Hub
Sargent College is enthusiastically committed to the updated curricula that incorporate BU Hub requirements. We are especially interested in encouraging thinking across disciplines to prepare students for an increasingly interconnected world. In addition to details about your major in the BU Bulletin, we also recommend checking www.bu.edu/hub/ for information.

DEGREE ADVICE
Degree Advice Reports are available to students via the **Student Link**. The report provides a snapshot of the progress you are making towards degree completion and helps you prepare for advising appointments.

- Students should check their Degree Advice reports periodically for updates resulting from AP/IB credits, registration, completion of BU courses, Hub units, transfer credits or other program changes.
- Check www.bu.edu/academics/policies/advanced-placement-credit for information on AP, IB etc.
- Degree Advice is not a substitute for substantive discussion with the advisor nor does it certify students for graduation but it can help you assess your academic progress.

MINORS
Check for available minors: www.bu.edu/academics/degree-programs. Contact the Health Science program phminor@bu.edu for advising on the Public Health Minor and work closely with Heather Nicholson for assistance on all other minors.

ACADEMIC CONDUCT
Students must follow: www.bu.edu/academics/resources/academic-conduct-code/
**Do not risk your professional reputation** as the penalties for misconduct include receiving a failing grade in the course, probation or expulsion from Boston University
