

Welcome to BU Sargent College

- The instructions in this document will help you register for Fall 2021 courses.
- Locate your major on the Bulletin website www.bu.edu/academics/sar/programs/ and scroll down to find the first-year course sequence. These are your recommended courses for the registration process described below.
- If you are undeclared, choose the major that is closest to your current academic goals.

Additional background information

- **AP and IB courses:** If you have not yet received your score, register for the required course (e.g. CAS PS101 for AP Psychology). If you have received advanced placement credit, you may be able to opt out of the course: www.bu.edu/admissions/files/2018/06/Advanced-Credit-Guide.pdf
- Some courses are only offered in the fall or in the spring semester therefore you might need to wait to take the next **course in a sequence**. You can, however, replace the course with an elective.
- **Adjustments can be made** to your course schedule during Orientation. You will have plenty of time to discuss your course plan and schedule with advisors during Orientation.

Did you complete the checklist?

In the email that we sent, there was a **checklist** for you to complete prior to registering. Please be sure that you have taken care of these important steps.

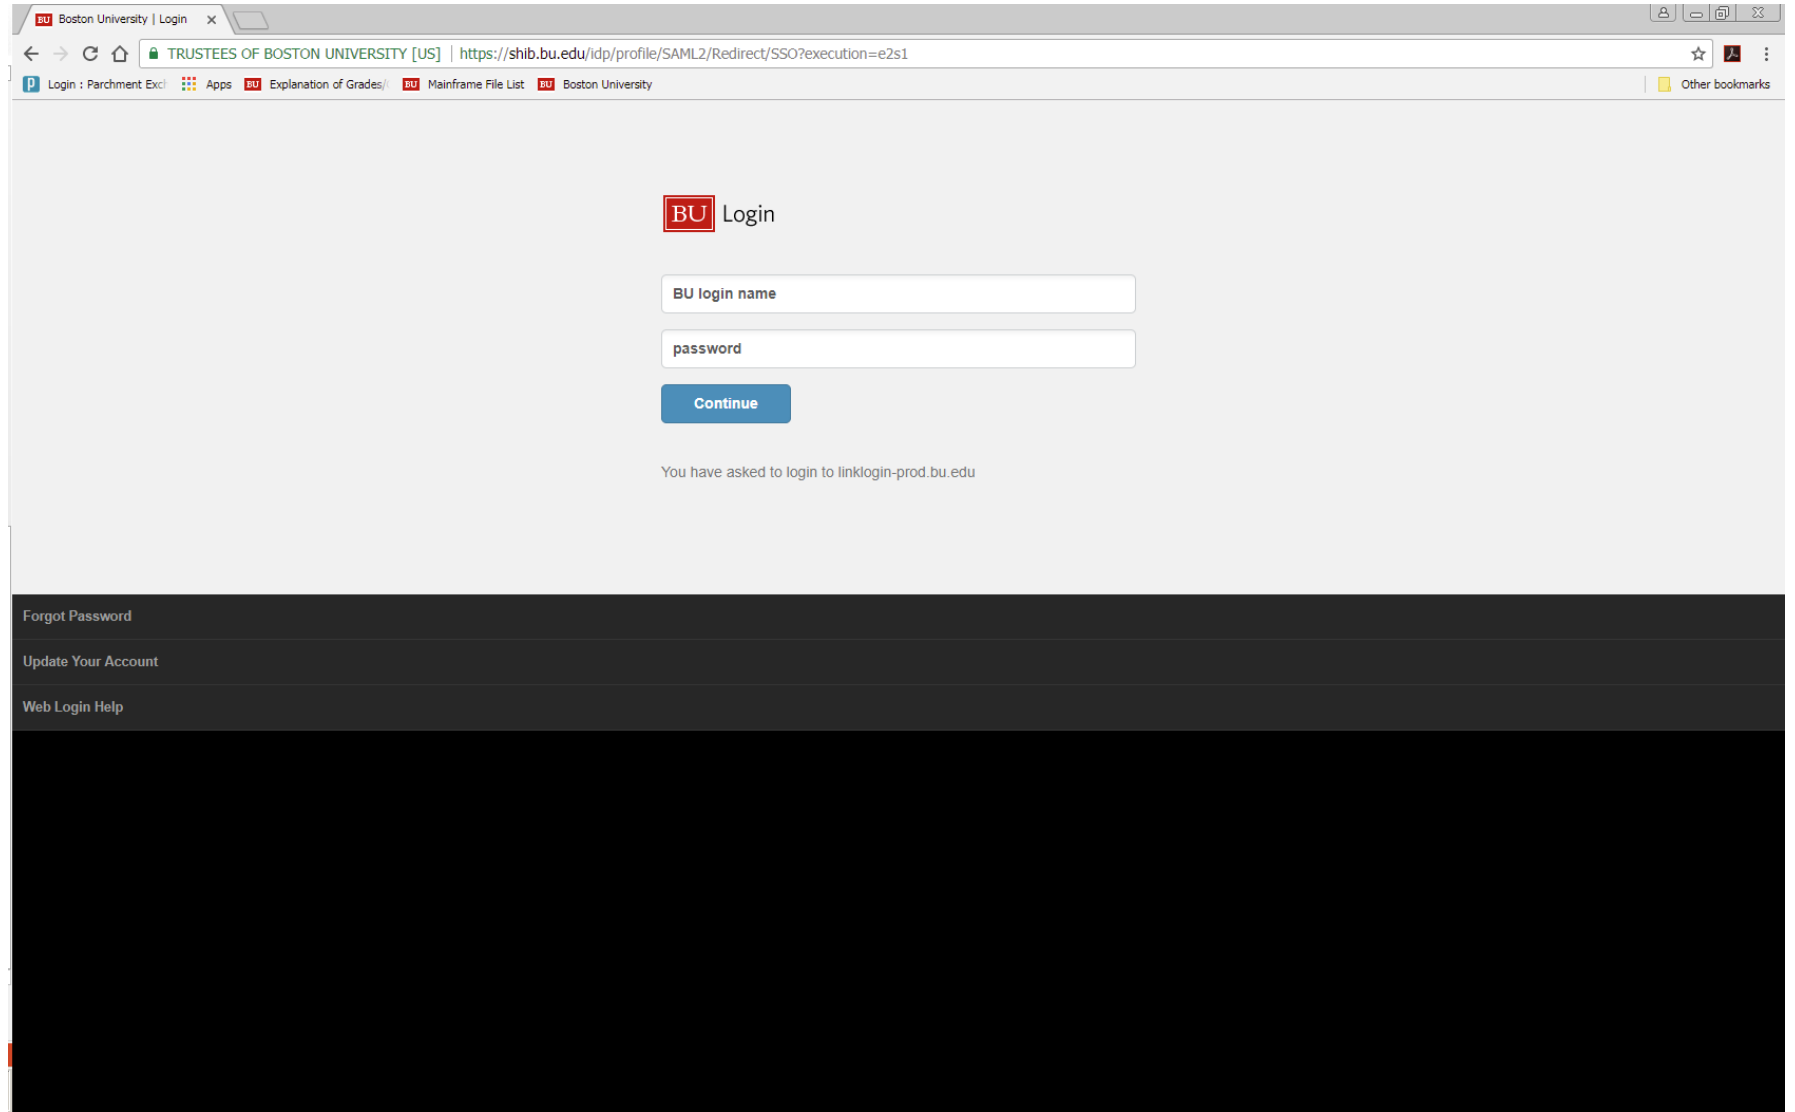

- To begin registering, open your favorite browser
- Go to www.bu.edu/studentlink
- Tech support www.bu.edu/tech/services/admin/the-links/studentlink/ is available.
- You can send course and curriculum questions to
- Heather Nicholson at nichol@bu.edu

- You may need to click “Continue Search From” at the bottom of the page as some courses will have sections listed on additional pages.
- **Read the fine print** to see what the course requires (lecture, discussion, lab, pre-lab). Make sure you have all the components and if the discussion section (e.g. A2) needs to match the lecture (e.g. A1).
- There is usually a 15 minute travel time interval between classes.
- R indicates Thursday on the Boston University schedules. TR courses meet Tuesday and Thursday.
- **Keep going! A class included in your planner does not mean that you have a spot reserved for official registration.**

Selecting a **WR120** course

- You will be taking a first-year writing course, CAS WR120. These cover a wide range of topics so look for a section that you find interesting.
- A helpful link to all of the fall 2020 sections is included below :

http://www.bu.edu/link/bin/uiscgi_class_topic_writing_pgm_student.pl

Use the **(change)** link and set **Class Level** to WR120 and equivalents to see:

Click on [**SELECT**] and then **Topics** or **Schedule** to display the sections

BU Hub Electives

If you have room in your schedule for an elective, you will be exploring the BU Hub. Sargent has its own Hub page:

<https://www.bu.edu/sargent/student-resources/bu-hub/>

Scroll down to the **Hub Resources** section and see how to use a specialized **Course Search** database to identify courses and **Degree Advice Report** to track your Hub units
