Welcome Back!!

We are excited to welcome you all back to BUILD for the 2017-18 school year! For those of you who have been newly hired, we are thrilled to have you on the BUILD tutoring team! We are also grateful to see so many returning tutors and familiar faces coming back to our sites this year. We hope that you have all had the chance to get acquainted with your lead tutors, sites and site coordinators.

As a reminder, we want to invite you all to be collaborators on this newsletter! Please send us any book reviews or literacy activities that you create that you think might be helpful for all, and they may be featured in next month’s newsletter!

It’s also that time of year where the cold and flu viruses are starting to spread, and quickly. Please make sure that you are finding some time for self-care this Fall, and keeping yourself healthy and rested!
