Thank You, Tutors!!

We’re almost there! This has been quite the semester, and we want to make sure to convey our gratitude to all of you tutors and lead tutors for the incredible work you have put in over the last few months. This program wouldn’t run without the collaboration and enthusiasm of each person involved.

As we reach the last weeks of Fall 2017, please remember that we are beginning our hiring for Spring 2018! Please let your Lead Tutors or GCs know if you are planning to study abroad or will be unable to work in the Spring! Also, don’t forget about the referral bonus for any tutor who sends a friend our way. If they get hired, you get either a BU fidget spinner or a BU cell phone wallet/cardholder! Top 3 recruiters will also receive a larger prize…so get out there and start telling friends about the great work that you do with BUILD!

Be mindful of the language that you use when discussing holidays with your students. We all celebrate differently; you can use terms like “winter break” or “vacation.”

Communicate with your GCs and Lead Tutors about absences and travel plans, especially for the days of December 13-15 (we would like you to finish out the week if possible).

Let your GC know if you are unable to return to BUILD next semester or have schedule conflicts with your site!
