

Women in the Public Eye

*What does it mean for us as future pastors,
future professors, future leaders?*

Join the Anna Howard Shaw Center on Thursday, Feb. 1 at noon
for our first lunch gathering of the Spring semester.

Bring your knitting, crocheting, handwork or just yourself!
We'll supply food* and an interesting topic to discuss.

Due to class scheduling we expect people to arrive "late"
and leave "early" so don't let that keep you away.

*Food will not be pizza — don't want grease on yarn or thread.
