

July 2010

**CURRICULUM VITAE
LAUREL SMITH-DOERR**

OFFICE ADDRESS: Department of Sociology
Boston University
96 Cummington St.
Boston, MA 02215
OFFICE: 617-358-0633 (voice)
FAX: 617-353-4837 (fax)
EMAIL: Ldoerr@bu.edu

EDUCATION

1999 Doctor of Philosophy, Sociology, *University of Arizona* (Tucson, AZ)
1993 Master of Arts, Sociology, *University of Arizona*
1991 Bachelor of Arts, Sociology, Cum Laude, Phi Beta Kappa, *Pomona College* (Claremont, CA)
1989 Study abroad, University College, Oxford, UK

PROFESSIONAL EXPERIENCE

Associate Professor of Sociology (with tenure); Boston University, 2007-present.

Visiting Scientist; US National Science Foundation (NSF), 2007-2009.

NSF Program Director in:

Science, Technology & Society Program (Directorate of Social, Behavioral and
Economic Sciences; Division of Social and Economic Sciences)

Ethics Education in Science and Engineering (Chair, Cross-NSF Program)

Assistant Professor of Sociology; Boston University, 1999-2007.

Graduate Teaching Associate; Dept. of Sociology, University of Arizona, 1994-1997.

Undergraduate courses taught:

Introduction to Sociology

Sociological Research Methods

Business and Society

Technology and Society

Social Networks

Sociology of Religion

Complex Organizations

Gender Stratification

Graduate seminars taught:
Gender Stratification
Research Methods Proseminar
Formal Organizations

PUBLICATIONS

Book published (peer-reviewed):

Smith-Doerr, Laurel. *Women's Work: Gender Equality vs. Hierarchy in the Life Sciences*. 2004. Boulder, CO: Lynne Rienner Publishers.

Journal articles published (peer-reviewed):

Smith-Doerr, Laurel. 2010. "Flexible Organizations, Innovation, and Gender Equality: Writing for the US Film Industry, 1907-1927." *Industry and Innovation* 17(1): 5-22.

Powell, Walter W., Kenneth W. Koput, and Laurel Smith-Doerr. "Interorganizational Collaboration and the Locus of Innovation: Networks of Learning in Biotechnology." 1996. *Administrative Science Quarterly* 41: 116-45.

Republished in 2005 in *Markets*, Chapter 7, edited by M.Y. Abolafia. Cheltenham, UK: Edward Elgar.

Republished in 2005 in *Networks*, Vol. II, Chapter 5, edited by G. Grabher and W. Powell. Cheltenham, UK: Edward Elgar.

Republished in 2005, Pp. 247-290 in *Collection of the Administrative Science Quarterly Award-Winning Papers*, edited and translated into Chinese by A.S. Tsui and W. Zhang. China: Peking University Press.

Republished in 2006 in *The Economics of Biotechnology*, Vol. II, Chapter 3, edited by M. Mc Kelvey and L. Orsenigo. Cheltenham, UK: Edward Elgar.

Book chapters published (peer-reviewed):

Croissant, Jennifer and Laurel Smith-Doerr. "Organizational Contexts of Science: Boundaries and Relationships between University and Industry." 2007. Pp. 691-718 in *The Handbook of Science and Technology Studies, Third Edition*, edited by E. Hackett, O. Amsterdamska, M. Lynch and J. Wajcman. Cambridge, MA: MIT Press.

Smith-Doerr, Laurel. "Learning to Reflect or Deflect? U.S. Policies and Graduate Programs' Ethics Training for Life Scientists." 2006. Pp. 405-431 in *The New Political Sociology of Science: Institutions, Networks, and Power*, edited by S. Frickel and K. Moore. Madison, WI: University of Wisconsin Press.

Smith-Doerr, Laurel and Walter W. Powell. "Networks and Economic Life." 2005. Pp.

379-402 in *Handbook of Economic Sociology, Second Edition*, edited by N.J. Smelser and R. Swedberg. Princeton, NJ: Russell Sage Foundation/Princeton University Press. (All new chapter for second edition).

Powell, Walter W., Kenneth W. Koput, Jason Owen-Smith, and Laurel Smith-Doerr. "Network Position and Firm Performance: Organizational Returns to Collaboration in the Biotechnology Industry." 1999. Pp. 129-59 in *Networks in and Around Organizations*, Volume 16 of *Research in the Sociology of Organizations*, edited by S.B. Andrews and D. Knoke. Greenwich, CT: JAI Press.

Smith-Doerr, Laurel, Jason Owen-Smith, Kenneth W. Koput and Walter W. Powell. "Networks and Knowledge Production: Collaboration and Patenting in Biotechnology." 1999. Pp. 390-408 in *Corporate Social Capital and Liability*, edited by R.T.A.J. Leenders and S. Gabbay. Norwell, MA: Kluwer Academic Publishers.

Koput, Kenneth W., Laurel Smith-Doerr and Walter W. Powell. "Strategies of Learning and Industry Structure: The Evolution of Networks in Biotechnology." 1997. Pp. 229-54 in *Organizational Learning and Strategic Management*, Volume 14 of *Advances in Strategic Management Research*, edited by J.P. Walsh and A.S. Huff. Greenwich, CT: JAI Press.

Powell, Walter W. and Laurel Smith-Doerr. "Networks and Economic Life." 1994. Pp. 368-402 in *The Handbook of Economic Sociology*, edited by N.J. Smelser and R. Swedberg. Princeton, NJ: Princeton University Press.

Invited Book Reviews and Other Scholarly Publications:

Smith-Doerr, Laurel and Andrea Stith. "Questions and Methods for Investigating Barriers in Educational Systems." 2009. Concept paper published in workshop report *Intergenerational Voices: Advancing Research and Policy for Women in Science, Technology, Engineering and Math*, edited by P. Rayman et al. Center for Women and Work, University of Massachusetts, Lowell, MA.

Smith-Doerr, Laurel. Book review of *The Politics of Working Life*, by Paul Edwards and Judy Wajcman. 2008. *American Journal of Sociology* 113:1443-5.

Walske, Jennifer, Laurel Smith-Doerr and Andrew Zacharachis. "Effects of Venture Capital Syndication Networks on Entrepreneurial Success." *Frontiers for Entrepreneurship Research 2007: Proceedings of the 27th Annual Entrepreneurship Research Conference*. Babson Park, MA: Arthur M. Blank Center for Entrepreneurship at Babson College.

Smith-Doerr, Laurel and Courtney Feldscher. Book review of *Women, Gender and Technology*, edited by M.F. Fox, S. Rosser, and D. Johnson. 2007. *Contemporary Sociology* 36(5): 439.

Monti, Daniel J., Laurel Smith-Doerr and James McQuaid. 2007. *Immigrant Entrepreneurs in the Massachusetts Biotechnology Industry*. Report prepared for and published by the Immigrant Learning Center, Inc. Malden, MA.

Smith-Doerr, Laurel. "The Ethics of Innovation: How Life Scientists Learn to Think About the Broader Contexts of their Research." 2006. Series: European forum, European University Institute Working Paper, Robert Schuman Centre for Advanced Study, No. 2006/13, available from: www.iue.it/RSCAS/Publications.

Smith-Doerr, Laurel. "Network Analysis." 2005. Entry in *International Encyclopedia of Economic Sociology*, edited by J. Beckert and M. Zafirovski, p. 469-475. London: Routledge.

Smith-Doerr, Laurel. Book review of *Everyday Bioethics: Reflections on Bioethical Choices in Daily Life*, by Giovanni Berlinguer. 2004. *Contemporary Sociology* 33 (1): 106-107.

Smith-Doerr, Laurel. Book review of *Social Structure and Organizations Revisited, Vol. 19, Research in the Sociology of Organizations*, edited by Michael Lounsbury and Marc J. Ventresca. 2003. *Contemporary Sociology* 32 (6): 710-11.

Smith-Doerr, Laurel and Morton S. Isaacson. Syllabus for "Technology and Society." 2003. Pp. 145-149 in *Science, Knowledge, & Technology: Syllabi and Instructional Materials, Fourth Edition*, edited by J. L. Croissant. Washington, DC: American Sociological Association.

Smith-Doerr, Laurel. Book review of *Beyond the Bottom Line: The Search for Dignity at Work*, by Paula M. Rayman. 2002. *Journal of Comparative Family Studies* 33 (2): 313-15.

Work In Progress:

Smith-Doerr, Laurel. "Contexts of Equity: Thinking about Organizational and Technoscience Contexts for Gender Equity in Biotechnology and Nanotechnology." Forthcoming in *The Yearbook of Nanotechnology in Society*, edited by S. Cozzens and J. Wetmore.

Powell, Walter W., Jason Owen-Smith and Laurel Smith-Doerr. "Sociology and Science of Science Policy." Chapter for *Handbook of the Science of Science Policy*, edited by K.H. Fealing, J. Lane, J.H. Marburger, S. Shipp, and B. Valdez. Forthcoming at Stanford University Press.

Belle, Deborah and Laurel Smith-Doerr. "A Social Network Perspective on Women's and Men's Science/Technology Careers." Manuscript under review at *Sociology Compass*.

Belle, Deborah, Laurel Smith-Doerr and Lauren M. Groves. "Gendered Networks: Professional Connections of Men and Women University Faculty." Paper accepted for presentation at the annual meetings of the American Sociological Association, 2010.

Smith-Doerr, Laurel and Jennifer L. Croissant. "A Feminist Approach to University-Industry Relationships: Integrating Theories of Gender, Politics and Capital." Manuscript under review.

Smith-Doerr, Laurel, Lydia Villa-Komaroff, Rita Teutonico, Fiona Murray and Lene Lange. "Global Needs for Women's Leadership in Biotechnology." Commentary under revision.

INVITED LECTURES AND PRESENTATIONS:

"A Feminist Approach to University-Industry Research Relations: Integrating Theories of Gender, Knowledge and Capital." With Jennifer Croissant. Invited presentation at Gender/IP conference, Washington College of Law, American University, April 2010. Washington, DC.

"The Accidental Policymaker: Adventures in Studying and Doing Science Policy." Presentation to Department of Sociology seminar series. January 2010. Boston University.

"A Sociological Perspective on Studying Organizations and Innovation: Qualitative and Quantitative Methods and Ethical Issues." Invited presentation at workshop on "Confidential Data Collection for Innovation Analysis in Organizations," Microsoft Research, September 2009. Redmond, WA.

"Understanding Career Contexts for PhDs in the Life Sciences," Invited presentation at workshop on "From Science to Business: How to Prepare Female Scientists and Engineers to Successfully Transition into Entrepreneurship," National Research Council of the National Academies of Science, Committee on Women in Science, Engineering and Medicine, National Academies' Beckman Center, August 2009. Irvine, CA.

"Ethics Education in the US: What Role for Social Science?" Invited presentation at the World Social Science Forum, May 2009. Bergen, Norway.

"Contexts of Equity: Thinking about Organizational and Technoscience Contexts for Gender Equity in Biotech and Nanotech." Invited presentation at workshop on "Nanotechnology, Equity, and Equality," Arizona State University, November 2008. Tempe, AZ.

“Ethics, Schmethics: Thoughts on Conducting (and Developing Policy) on Ethics Education in Science and Engineering.” Invited seminar to Rensselaer Polytechnic Institute, Department of Science/Technology Studies, October 2008. Troy, NY.

“Gender Equity in Science: Lessons from the Life Sciences.” Invited keynote address for workshop on “Diversity in Physics,” at annual meeting of Relativistic Heavy Ion Collider (RHIC) /Alternating Gradient Synchrotron (AGS) Users' Meeting, Brookhaven National Laboratories. May 2008. Long Island, NY.

“The Status of Women Scientists in Knowledge Based Biotechnology Firms.” Presentation at invited panel on “New Frontiers in the Knowledge Economy” at the annual meetings of the American Association of Geographers, April 2008. Boston, MA.

“Network vs. Hierarchy: Organizational Form and Equity in Innovative Workplaces.” Invited presentation at University of Oregon, Lundquist College of Business, March 2008. Eugene, OR.

“Theory at the Meso-Level: Women’s (Interdisciplinary) Work in the Life Sciences.” Invited presentation at workshop on “Women, Minorities and Interdisciplinarity,” Columbia University, November 2007. New York, NY.

“Immigrant Entrepreneurs in the Massachusetts Biotechnology Industry.” Invited presentation at the “Can We Compete? Trends in America’s Scientific and Technical Workforce” conference, Commission on Professionals in Science and Technology and AAAS, November, 2007. Washington, DC.

“Immigrant Entrepreneurs in the Massachusetts Biotechnology Industry.” Report prepared for the Immigrant Learning Center, Inc. Presented at Boston Private Bank, with Daniel J. Monti and James McQuaid. June 2007. Boston, MA.

“Getting Past Ethics Requirements: Life Scientists and Ethics Education Policies in the US and Europe.” Invited presentation to workshop on “Exploring Innovation Processes in Healthcare: The Challenges of Collaboration and Governance,” Bentley College. May 2006. Waltham, MA.

“Getting Past Ethics Requirements: Life Scientists and Ethics Education Policies in the US and Europe.” Invited presentation to the Center for Research in Higher Education, University of Arizona. March 2006. Tucson, AZ.

“Getting Past Ethics Requirements: Life Scientists and Policies for Ethics Education in the US, the UK, and Italy.” Invited presentation to the MIT/Harvard Organizations Studies Group Seminar Series, Sloan School of Management, Massachusetts Institute of Technology. February 2006. Cambridge, MA.

“How Do Life Scientists Learn about the Ethical Implications of Innovation?” Invited paper presented at the “Sociology of Bioethics” conference (concurrent with the Eastern Sociological Society annual meetings). March 2005. Washington, DC.

“University-Industry Collaboration in Biotechnology and Career Paths for Life Science PhDs.” Invited presentation at the conference on University-Industry Research Relationships, Haas School of Business, University of California-Berkeley, August 1998. Berkeley, CA.

CONFERENCE PAPERS PRESENTED:

“Three sociological insights into issues for women in science and gender equity in the US.” Presentation at annual meeting of the Eastern Sociological Society. March 2010. Boston, MA.

“Are Ethics Gendered? Exploring Women and Men Researchers’ Approaches to Science and Engineering.” Presentation at annual meeting of the American Association for the Advancement of Science. February 2010. San Diego, CA.

“Comparing Gender Equity in Industrial and Academic Biotechnology.” Presentation to European Union-United States Taskforce on Biotechnology Research sponsored workshop, “A Global Look at Women’s Leadership in Biotechnology Research,” University of California at San Francisco. June 2009. San Francisco, CA.

“The National Science Foundation and the Congressional Mandate on Education for Ethical Research Conduct.” Presentation at annual meetings of the Association for Practical and Professional Ethics, March 2009. Cincinnati, OH.

“A Feminist Approach to University-Industry Relationships: Integrating Theories of Gender, Politics and Capital.” With Jennifer Croissant. Paper presented at annual meetings of the Society for Social Study of Science. August 2008. Rotterdam, Netherlands.

“Expanding Entrepreneurship: Women and Foreign-Born Founders of Massachusetts Biotechnology Firms.” With James McQuaid and Daniel J. Monti. Paper presented at the American Sociological Association annual meetings, August 2008. Boston, MA.

“Discourses of Dislike: Scientists’ Responses to Ethics Education Policies in the United Kingdom, European Union and the United States.” Paper presented at the American Sociological Association annual meetings. August 2007. New York, NY.

“A Feminist Approach to University-Industry Relationships: Integrating Theories of Gender, Politics and Capital.” With Jennifer Croissant. Paper presented in session on “Economy and Science” at the annual meetings of the American Sociological Association, August 2006, Montreal, Canada.

“Herding Cats: Bioethics education policies, unruly life scientists and anomalous local narratives in the US, Italy and the UK.” Presented at the annual meetings of the Society for the Social Study of Science. October 2005. Pasadena, CA.

“Quality vs. Quantity: Women’s Patenting in the Life Sciences.” With Kjersten Bunker Whittington. Presented at the annual meetings of the Technology Transfer Society, Kauffman Foundation for Entrepreneurship. September 2005. Kansas City, MO.

“Globalized Science Ethos, Localized Ethics Training: Policies for Life Scientists in the US, Italy and the UK.” Presented at the annual meetings of the American Sociological Association. August 2005. Philadelphia, PA.

“The Ethics of Innovation: How Life Scientists Learn to Think About the Broader Contexts of Their Research.” Presented at the final symposium of the European Forum on Universities and Innovation Systems, Robert Schuman Centre for Advanced Studies, European University Institute. June 2005. Florence, Italy.

“Gender and Commercial Science: Is there a Gap and What are the Effects of Academic and Commercial Contexts?” With Kjersten Bunker Whittington. Presented at the annual meetings of the American Sociological Association. August 2004. San Francisco, CA.

“Incentive to Change or Rational Myth?: U.S. Policies Tying Funding to Research Ethics and the Effects on Life Science Ph.D. Programs.” Paper presented at the annual meetings of the Society for the Social Study of Science. October 2003. Atlanta, GA.

“A *New* Productivity Puzzle? The Effects of Blurred Boundaries between Academic and Commercial Science on Gender Stratification in Life Science Careers.” With Kjersten Bunker Whittington. Paper presented at the annual meetings of the Society for the Social Study of Science. October 2003. Atlanta, GA.

“The Meaning of Success: Network Position and the Social Construction of Project Success in an R&D Lab.” With Polly Rizova and Ivan Manev. Paper presented at the annual meetings of the American Sociological Association. August, 2003. Atlanta, GA.

“Teaching Dilemmas: The Visibility of Ethics Training in Life Science Ph.D. Programs.” Paper presented at the annual meetings of the Society for the Social Study of Science. November, 2002. Milwaukee, WI.

“Flexible Organizations and Gender Equality: Writing for the Movies, 1907-1927.” Presented at annual meetings of American Sociological Association, August 2002. Chicago, IL.

“Where’d You Get Your PhD?: Education Ranking and Inequality Among Life Scientists.” Paper presented at the annual meetings of the Society for the Social Study of Science, November, 2001, Cambridge, MA.

“Ethics at the Bench?: The Provision of Ethics Training in Life Science PhD Programs.” Presented at the annual meetings of the American Sociological Association, August 2001. Anaheim, CA.

“Stuck in the Middle: Effects of Education Rank on the Careers of Life Science PhDs.” Presented at the annual American Sociological Association meetings, August 2000. Washington, DC.

“Not Just for Old Boys: Forms of Economic Organization and Gender Inequality in Life Science Careers.” Presented at the annual American Sociological Association meetings, August 1998. San Francisco, CA.

“Interorganizational Relations and Elite Sponsorship: Mobilizing Resources in Biotechnology.” With Kenneth W. Koput and Walter W. Powell. Presented at the annual American Sociological Association meetings, August 1998. San Francisco, CA.

“Framing Scientific Careers: Biotechnology as Legitimate Science.” Presented at the annual meetings of the Society for Social Studies of Science, October 1997. Tucson, AZ.

“The Emergence of the Biotechnology Industry and the Changing Labor Market for Biomedical PhDs.” Presented at the annual meetings of the American Sociological Association, August 1997. Toronto, Canada.

“Science Within Organizations: Differences in the Organization of Work between a Biotechnology Firm and a University Laboratory.” Presented at the annual meetings of the American Sociological Association, August 1994. Los Angeles, CA.

FELLOWSHIPS, HONORS AND GRANTS

National Science Foundation, Director’s Award for Collaborative Integration. 2009.

“Immigrant Entrepreneurs in the Massachusetts Biotechnology Industry.” Grant from Immigrant Learning Center, Inc. Malden, MA. 2006-2007.

Jean Monnet Fellowship to the Robert Schuman Centre for Advanced Studies at the European University Institute. Fellow in the European Forum on Universities and Innovation Systems. Florence, Italy. 2004-2005.

Award for Scholarly Contribution from *Administrative Science Quarterly*, for “Interorganizational Collaboration and the Locus of Innovation: Networks of Learning in Biotechnology,” as the best article published in the five years previously. 2002.

Humanities Foundation Grant for supporting archival research, Boston University. Funding for access to Widener library at Harvard University. 2002-2003.

Summer Seed Grant, for improving dissertation, Social and Behavioral Sciences Research Institute, University of Arizona, 1996.

Dissertation Proposal Award, Department of Sociology, University of Arizona, Spring 1996.

Graduate Research Grant, Social and Behavioral Sciences Research Institute, University of Arizona. Support for travel to collect dissertation data. Spring 1996.

Summer Research Grant, Program on Nonprofit Governance, Center on Philanthropy, Indiana University, Aspen Institute, 1993.

William Lincoln Honnold Fellowship for graduate study, Pomona College, 1991.

PROFESSIONAL ACTIVITIES

Appointed to prize committee for selecting the Edge award for the best article in social studies of science in two years previous. Society for Social Studies of Science. 2010.

Chair, Women in Science and Engineering (WISE), Boston University, 2010-11; Co-Chair 2009-10.

Advisory Committee member, Commonwealth Alliance for Information Technology Education (CAITE), NSF-funded Broadening Participation Alliance, University of Massachusetts, Amherst, 2009-present.

Organizer for “Conversations with” session on Women in Science, Industry and Government. Eastern Sociological Society 2010 annual meeting. Boston, MA.

Elected to the Council of the Science, Knowledge and Technology section of the American Sociological Association, 2007-9.

Discussant for panel on “The Evolving Research Enterprise” at the 2008 meetings of the Association for Public Policy Analysis and Management. Los Angeles, CA.

Organizer and presider for regular sessions on “Organizations” at the 2008 meetings of the American Sociological Association. Boston, MA.

Discussant for roundtable on “Gender in Science and Engineering”, Sex and Gender section, at the 2008 annual meetings of the American Sociological Association, Boston, MA.

Discussant for panel on “Transnational Processes,” at the 2007 meetings of the American Sociological Association. New York, NY.

Discussant for panel on “Organizational Processes and Individual Inequality: Contexts, Careers, and Change,” at the 2006 meetings of the Eastern Sociological Society. Boston, MA.

Advisory Panelist for US National Science Foundation programs. 2005. 2007. Arlington, VA.

Session Organizer and Presider for an Organizations, Occupations and Work section panel on “Network Organizations: Synthesizing Instrumentalism and Trust” at the 2002 meetings of the American Sociological Association. Chicago, IL.

Member of the selection committee for the Robert K. Merton award for best book, Science, Knowledge and Technology section of the American Sociological Association, 1997, 2001, 2007.

Elected as student member to the council of the Science, Knowledge and Technology section, American Sociological Association, 1996-99.

Member of the Awards committee for Hacker-Mullins award for best student paper, for the Science, Knowledge and Technology section of the American Sociological Association, 1997, 2009.

Graduate student intern, *Contemporary Sociology*, 1992-93.

Peer Reviewer For:

Academy of Management Journal; Academy of Management Review; American Journal of Sociology; American Sociological Review; Industrial Relations; Industry and Innovation; International Journal of Innovation and Technology Management; Journal of Higher Education; Journal of Technology Transfer; National Women’s Study Association Journal; Nonprofit and Voluntary Sector Quarterly; Organization Science; Routledge Publishers; Research Policy; R&D Management; Science and Public Policy; Science, Technology & Human Values; Sex Roles: A Journal of Research; Social Forces; Social Politics: International Studies in Gender, State and Society; Social Problems; Social Studies of Science; Sociological Forum; U.S. National Science Foundation (programs: ADVANCE, Cyberinfrastructure, Ethics Education in Science and Engineering, Gender in Science and Engineering, Information Technology Research, Innovation and Organizational Change, Innovation and Organizational Science, Science and Society, Sociology); Worth/St. Martin’s Publishers

PROFESSIONAL MEMBERSHIPS:

American Sociological Association, 1991-present. (Section member in Organizations, Occupations and Work; Science, Knowledge and Technology; Economic Sociology).

Eastern Sociological Society, 2004-present

Society for Social Studies of Science, 1997-present.

PUBLIC INTELLECTUAL ROLE

Smith-Doerr's research on U.S. ethics training requirements for scientists (subsequently published as a chapter in *The New Political Sociology of Science*) referenced in article "Ethical Conflicts Plague NIH," by Sarah Webb in *Discover* magazine, Vol. 26, No. 1. January 2005.

Smith-Doerr and Powell's 2005 *Handbook of Economic Sociology* chapter, "Networks in Economic Life" was quoted in the *Boston Globe* on Sunday July 24, 2005 in Ideas section (p. D1) article headlined as "Market Share Economists have Long Used their Tools to Study Social Phenomena. Now Sociologists are Learning to Stop Worrying and Love—or at Least Study—the Market," by Virginia Postrel.

Television interview on "Liz Walker Sunday" a Boston newsmagazine show, aired on CBS on August 7, 2005. Smith-Doerr, asked to reflect on technology and society, discussed how the ways that we organize technology affect our work and home lives.

Smith-Doerr, Laurel. "Women Scientists Also Work Outside Academia." E-letter published in *Science* magazine responding to "More Women in Science" by Handelsman et al. 13 September 2005.

Television interview on "New England Business Day" show on New England Cable News, June 23, 2006. Discussion on internet technology and society.

Bunker Whittington and Smith-Doerr's 2005 *Journal of Technology Transfer* article on the gender gap in patenting cited on August 31, 2006 in article entitled "Mothers of Invention?," by Emma Marris in *Nature* 442: 973.

Smith-Doerr's 2006 *Bulletin of Science, Technology and Society* article on how doctoral education ranking affects career outcomes featured in November 2006 article entitled "Third Tier Grads Do Better than Mid-ranked Grads," by Kathleen McGowan in *The Scientist* 20: 78.

Smith-Doerr's 2006 *Bulletin of Science, Technology and Society* article on doctoral ranking and career outcomes featured in Commission on Professionals in Science and Technology's *Comments* Vol. 44, December 2006.

Smith-Doerr quoted and her research on gender equity in the biotechnology industry published in her book *Women's Work* referenced in article "The Gender Gap in Biotech", by Gareth Cook in the *Boston Globe* on May 6, 2007 in special Biotech section for the BIO convention.

Television interview on "Neighborhood Network News," live show on Boston local access cable station, June 13, 2007. Discussion with Monti, of Monti, Smith-Doerr and McQuaid report on immigrant entrepreneurs in Massachusetts biotechnology industry.

Smith-Doerr quoted on issues for immigrant entrepreneurs, from presentation at Framingham State College of research report published by Immigrant Learning Center, in article, "Asian Entrepreneurs Need Support," by Cory Hopkins in *Worcester Business Journal*, June 15, 2007.

Listed in *Who's Who in America*, 2007-11; *Who's Who of American Women*, 2010.
