

## **MPH Core Course Scheduling**

MPH candidates are encouraged to complete their core course requirements, particularly the core course(s) in their concentration, as early as possible in their academic program. MPH candidates must successfully complete at least one of the core course requirements in epidemiology, biostatistics or health law, bioethics & human rights within their first 12 credits of coursework, a second course by 24 credits, and all three of the aforementioned cores by the time they complete 32 credits.
