Practicum Skills-based Seminar Requirement

The BUSPH MPH practicum requirement includes the completion of two skills-based seminars. The “How To” seminars fulfill that requirement. However, students may fulfill the requirement by attending another skills-based learning opportunity, either here at BUSPH or elsewhere (another school or workplace). In addition, students are allowed to complete ONE of the two sessions online. The links below have many courses that may be of interest.

- The main website for HRSA Public Health Training Network is: <http://bhpr.hrsa.gov/grants/publichealth/trainingcenters/search.html>
- The website for CDC's Training and Continuing Education Online is: <http://www2a.cdc.gov/TCEOnline/index.asp>

| Eligible trainings (either in-person or online): | |
|--|--|
| <p>If a student wishes to participate in a skills-based session other than the “How To” seminars, it may be appropriate to meet the practicum requirement if:</p> <ul style="list-style-type: none"> • it addresses a skill useful to a public health practitioner (as opposed to a knowledge-based topic) • it is at least one hour in length to complete • it is not a requirement for another course or program or job | |
| <p>To obtain pre-approval: students wishing to obtain approval to use a session other than a “How To” seminar to count towards the practicum skills-based seminar requirement should send an email request to Dr. Anne Fidler, Asst. Dean for Public Health Practice (afidler@bu.edu). The email should contain:</p> | |
| <p>Face-to-face sessions:</p> <ul style="list-style-type: none"> • name, location, date/time, presenter of the session • brief description of what will be addressed <ul style="list-style-type: none"> ○ learning objectives (if available) ○ specific skills addressed | <p>Online modules:</p> <ul style="list-style-type: none"> • web link for the training (note that cutting and pasting the web link for a HRSA PHTC training simply sends one to the main HRSA training site; it does not direct one to the specific training.) • the name of the training • the source of the training • the learning objectives for the session <p>Only modules that lead to a certificate of completion (usually based on evaluation or pre/post test) will be approved. If a course approved, the student will email the certificate of completion to Joanna Brown (jvbrown@bu.edu) in the Practice Office.</p> |
