ROTATION SCHEDULE FOR ALL COURSES

The Course Rotation Guide is a resource to assist students in planning their academic programs. The courses listed are planned, but not necessarily promised. To confirm the status of a course, please review the current semester class schedule on the <u>BU Student Link</u>.

Some programs allow students to complete directed study and directed research courses available for 1, 2, 3, or 4 credits every fall, spring, and summer semester. The directed study and directed research course numbers are: BS901 and 902; EH961 & 962; EP911 and 912; GH941, 942 and 943 (culminating experience only); LW951 & 952; MC931 & 932; PM931 & 932; SB921 & 922. The course number is determined by the academic appointment of the supervising SPH faculty member.

Abbreviations: "Alt." = Alternate (every other); "TBD" = to be determined

Course Number	Course Title	When Offered
