PROGRAM PLANS & ADJUSTMENTS

Online MSW students are required to follow a standard program plan in order to fulfill the requirements for the MSW degree. Program plans will vary depending on student's admitted track (HSE, TT, or AS).

If you take a Leave of Absence at any time in Online MSW program, your program plan will need to be adjusted. Any variation from the program plan requires prior written approval from **Jennifer Grahek, Online Program Administrator** or **Sabrina DiRito, OLP Student**

Services Coordinator. Please contact them at to request program plan revisions or check to ensure you registered correctly.

After registering you should expect a tuition bill from [Student Accounts](#). Please contact the **Student Accounting Office** at 617-353-2264 should you have questions regarding your bill. Once you have a BU login and password you may check the status of your account and pay your bill via the BU Student Link (www.bu.edu/studentlink).

DROPPING COURSES ON YOUR SCHEDULE

Students should discuss plans of dropping or withdrawing from courses with **Jennifer Grahek, Online Program Administrator** prior to making changes to their schedule. Dropping or withdrawing from courses will impact program plans, status in program, and students may need to file a leave of absence. In addition, students should also follow the necessary steps:

Notes to review prior to dropping a class:

- Pay close attention to the Add/Drop deadlines to avoid fees and tuition obligations.
- Registration and other fees are non-refundable as of the first day of the semester.
- Students can drop a course by the drop deadlines for possible reversal of charges.
- After the drop course deadline, students can withdraw from a course. Withdrawing from a course means the course will remain on the student's transcript as a "W". Withdrawn students will not be eligible for a refund and will be required to pay for courses.
- To view important deadlines including the **last day for 100% Tuition reimbursement** and **last day for withdrawing** from courses please view:
<http://www.bu.edu/online/course-schedule/important-dates/index.html>.

The following steps should be taken when dropping or withdrawing from a course:

- Prior to dropping a course, contact **Sandra Butler, Financial Aid Manager**, sebutler@bu.edu to discuss Federal Stafford Loan obligations and any implications that may occur when dropping a course.
- Notify **Jennifer Grahek, Online Program Administrator**, jpace@bu.edu to discuss your intentions in the Online MSW program and revising your program plan.
- Inform your instructor, facilitator, and advisor that you will be dropping a course.
- Log onto Student Link to drop or withdraw from the course(s).

- If you need help with dropping from a course, please contact the SSW Registrar, **Jennifer Rosenberg Warner**, jarose@bu.edu. Make sure you have the following information available:
 1. Full Name
 2. BU ID
 3. Program: Online
 4. Courses needed to add/drop (i.e. HB720 03)

*In addition to dropping a class, students:

- May be required to complete an official [Withdrawal/Leave of Absence](#) form if you are taking a leave of absence or withdrawing from the program
- Students who need to drop all courses and drop down to zero credits will be required to fill out a Withdrawal/Leave of Absence form.
- If you do not submit the appropriate paperwork by the withdraw deadline, you will not be officially withdrawn, required to pay the course/semester's tuition, and be graded in any active courses.

WITHDRAWING FROM COURSES

Students looking to drop a course past the drop deadline have the option of withdrawing from the course. Withdrawing from a course will result in a W on your transcript. This will disrupt your program plan and most likely require you to take a leave of absence. Students should consult with **Jennifer Grahek, Online Program Administrator**, about withdrawing prior to doing so.

Notes when withdrawing from a course:

- *Registration and other fees are non-refundable as of the first day of the semester.*
- Last Day to Drop with a “W” grade means the course will remain on your transcript with “W” grade
- Students will not be eligible for a refund and will be required to enroll and pay for the course again.

The following steps should be taken when withdrawing from a course:

- Notify **Jennifer Grahek, Online Program Administrator**, jpace@bu.edu to discuss your intentions in the Online MSW program and revising your program plan.
- Inform your instructor, facilitator, and advisor if you are planning on withdrawing from a course.
- If you are in a field internship or planning to start one next semester, contact your Advisor to review field placement policies and implications.
- Contact **Sandra Butler, Financial Aid Manager**, sebutler@bu.edu prior to withdrawing from courses to review financial implications. Students must be registered for at least 6 credits per semester to be eligible for the Federal Stafford Loan.
- You may be required to complete an official [Withdrawal/Leave of Absence](#) form. If you do not submit the appropriate paperwork by the withdraw deadline, you will not be officially withdrawn, required to pay the course/semester’s tuition, and be graded in any active courses.
- Students who need to drop all courses and drop down to zero credits will be required to fill out a Withdrawal/Leave of Absence form.

If you need help with withdrawing, please email the **SSW Registrar, Jennifer Rosenberg Warner**, jarose@bu.edu. Make sure you have the following information available:

1. Full Name
2. BU ID
3. Program: Online
4. Courses needed to withdraw from (i.e. HB720 03)

***Withdrawing from the program would follow the same procedures and deadlines and a Withdraw/LOA form will be required to be filled out. If you do not submit the appropriate paperwork by the withdraw deadline, you will not be officially withdrawn, required to pay the course/semester’s tuition, and be graded in any active courses.**
