

Part-Time CLINICAL Three –Year Program Plan for Charles River Students

Select six electives in which at least one is:

- Human Behavior Elective (HB)
- Welfare Policy Elective (WP)
- Clinical Practice Elective (CP)

All students must take an advanced clinical or macro practice course that corresponds to their major during at least one semester of the advanced placement.

It is highly recommended that at least one additional advanced practice elective be taken during the other semester(s) of the advanced placement.

Before you enter the field any change to this plan must be made in consultation with Student Services.

Once you have entered the field any change in this program plan must be made in consultation with a member of the Field Education Department.
