

## Sample Part-Time CLINICAL Four –Year Program Plan for Charles River Students

Select six electives in which at least one is:

- Human Behavior Elective (HB)
- Welfare Policy Elective (WP)
- Clinical Practice Elective (CP)

All students must take an advanced clinical practice course during at least one semester of the advanced placement. The part-time program has some flexibility. Meet with Student Services & Academic Planning if you would like to discuss an alternative plan.

It is highly recommended that at least one additional advanced practice elective be taken during the other semester(s) of the advanced placement.

Before you enter the field any change to this plan must be made in consultation with Student Services & Academic Planning.

Once you have entered the field any change in this program plan must be made in consultation with a member of the Field Education Department.
