

Sample Part-Time MACRO Four –Year Program Plan for Charles River Students

Select five electives in which at least one is:

- Human Behavior Elective (HB)
- Welfare Policy Elective (WP)

It is highly recommended that at least one additional advanced practice elective be taken during the other semester(s) of the advanced placement.

All students must take an advanced macro practice course during at least one semester of the advanced placement. The part-time program has some flexibility. Meet with Student Services & Academic Planning if you would like to discuss an alternative plan.

Year I Fall		Year I Spring
