Physician Assistant (PA)

**License Description:**
Physician assistants provide medical services as delegated by an approved supervising physician; take medical histories; perform physical exams on patients of all ages; assess, diagnose and treat medical or surgical problems as delegated by a supervising physician; perform therapeutic procedures and office surgical procedures; may assist in surgery; may provide prenatal and postnatal care and assist the physician in obstetrical care; may counsel patients concerning diets, therapy, health promotion and disease prevention; may make hospital rounds or provide hospital or nursing home medical services; may provide immediate evaluation and treatment in response to emergency medical problems; may refer a patient to specialty physicians; may order and interpret laboratory tests, x-rays, diets, physical therapy, inhalation therapy or other services when delegated by a supervising physician; may order certain medications with the prior approval and direction of a supervising physician and may prescribe medications and medical devices as delegated by a supervising physician in accordance with Iowa Administrative Code 645-325.7; may assist a supervising physician in the office management and direction of other medical personnel in the execution of patient care. PAs may provide medical services in a remote medical clinic as long as they have at least one year of clinical experience as a practicing PA and documents showing sufficient training and experience. A remote medical clinic is one that is away from the regular practice location of a supervising physician and in which a supervising physician is present less than 50 percent of the time the clinic is open. A physician assistant may perform any medical task that is: 1) delegated by a supervising physician, 2) within the qualifications of the PA, and 3) not prohibited by the law or the Board. Physician assistant services may be utilized in any clinical setting, in nursing homes, patient homes, or extended care facilities.

Physician Assistant

License Description:
GENERAL JOB DESCRIPTION

A physician assistant may perform any and all medical services that are within the scope of training in an approved program and which are also within the scope of the supervising physician's practice as designated by the specialty code in the most current revision of the Kentucky Medical Directory. The physician assistant shall not make a definitive diagnosis or prescribe or employ any treatment modality independent of the supervising physician. However, a physician assistant may, without specific approval, initiate evaluation and treatment in emergency situations.

EDUCATIONAL REQUIREMENTS

The applicant shall be a graduate of a program accredited by the Committee on Allied Health Education and Accreditation of the American Medical Association.

EXAMINATION REQUIREMENTS

The applicant shall have successfully completed the certification examination administered by the National Commission on Certification of Physician Assistants (NCCPA) within three (3) attempts. Applications for the NCCPA examination are available through the NCCPA's Atlanta, Georgia office.

CONTINUING EDUCATION REQUIREMENTS

In conjunction with the renewal of his / her certification, the physician assistant shall provide evidence of having completed, in the last two (2) years, a minimum of one hundred (100) hours of continuing education accepted by the National Commission on Certification of Physician Assistants or the American Medical Association.

Physician Assistant

License Description:

Occupational Description

Physician Assistants provide healthcare services typically performed by a physician, under the supervision of a physician. They may conduct complete physicals, provide treatment, and counsel patients, and may, in some cases, prescribe medication. A Physician Assistant may perform medical services that:
A. Are delegated by and provided under the supervision of a licensed Physician;
B. Are appropriate to the level of competence of the Physician Assistant;
C. Form a component of the supervising Physician's scope of practice;
D. Are not otherwise prohibited by law.
A Physician Assistant is considered an agent of his or her supervising Physician in the performance of practice-related activities delegated by the supervising Physician, including, but not limited to, ordering diagnostic, therapeutic, and other medical services.
A Physician Assistant may pronounce death and may complete and sign death certificates and any other forms, if such acts are within the scope of practice of the Physician Assistant, are delegated by his or her supervising Physician, and are not otherwise prohibited by law.

Licensure Requirements

Applicants must:
1. Provide proof of graduation from an approved program;
2. Provide certified proof of passing the Physician Assistant National Certifying Examination (PANCE) offered by the National Commission on Certification of Physician Assistants (NCCPA);
3. Be at least 19 years of age;
4. Submit a completed application form and the required documentation;
5. Pass a fingerprint criminal background check.
A person who has not yet taken or passed the NCCPA exam may obtain a temporary license. The temporary license will expire one year from the date of issuance, or upon issuance of a license.

Initial License Fee- $150.00, or $37.50 if initial license is obtained within 5 months prior to the next expiration date.
Fingerprint Processing Fee- $45.25 (Paid directly to the Nebraska State Patrol)
Renewal Information

Renewal is required biennially by October 1 of each odd-numbered year. The renewal fee is $110.00. To qualify for license renewal, a Physician Assistant must meet one of the following:

1. Complete 50 hours of category 1 continuing education coursework approved by the Accreditation Council for Continuing Medical Education (ACCME), the American Osteopathic Association (AOA), or the American Academy of Physician Assistants (AAPA).
   Hours must have been earned within the 24 months immediately preceding the expiration of the license, with the exception that a licensee who has earned more than the 50 hours required for one renewal period may carry over up to 25 hours for the next renewal period.

-OR-

2. Meet the National Commission on Certification of Physician Assistants (NCCPA) re-registration requirements within the 24 months immediately preceding the expiration of the license.

Physician Assistant

License Description:
Physician Assistants (PA) provide medical services under the direction and supervision of a licensed medical or osteopathic physician. Within the physician/physician assistant relationship, physician assistants exercise autonomy in medical decision-making and provide a broad range of diagnostic and therapeutic services. The clinical role of physician assistants includes primary and specialty care in medical and surgical practice settings in both urban and rural areas. The scope of practice for licensed physician assistants is documented in an Oregon Medical Board approved Practice Description Form or a Practice Agreement with a supervising physician. The average time to issue a license is 3-5 calendar days after all necessary documents have been submitted.

PHYSICIAN ASSISTANTS

License Description:
PHYSICIAN ASSISTANTS

Physician Assistants provide patient services under the written protocol and responsibility of a doctor of medicine or osteopathy; can elicit detailed patient histories and do complete physical examinations; can reach tentative diagnoses and order appropriate laboratory tests; and initiate appropriate treatment using protocol. A physician's assistant may qualify for limited authority to write prescriptions. A license is required for performance of duties under the provision of the applicable law. Can use designation PA or Physician Assistant.

REQUIREMENTS:
The applicant must submit evidence of good moral character, and that he or she has met the educational and examination requirements. In addition, the applicant must designate a primary supervising physician. Temporary licenses are issued to applicants who have completed the educational requirement or are licensed in another state under certain restrictions.

EDUCATIONAL REQUIREMENTS:

For new licenses, graduation from an accredited physician assistant training program is required.

EXAMINATION REQUIREMENTS:
Examination of the National Commission on the Certification of Physician Assistant (NCCPA).

CONTINUING EDUCATION:
Biannual completion of 100 hours of continuing medical education in courses approved by the licensing authority. Contact the license authority for specific requirements.

RENEWAL REQUIREMENTS:
Every two years contingent on meeting continuing education requirements.

Licensing Agency:
Department of Health
Division of Health Related Boards
Committee on Physician Assistants
665 Mainstream Drive 2nd floor
Nashville, TN 37243
(615) 532 4384
