

**The Theology Library at the BU School of Theology
invites you to a
Faculty Author Roundtable Discussion**

with special guest

Dr. Nimi Wariboko

Walter G. Muelder Professor of Social Ethics

In celebration of our School of Theology Faculty authors, the STH Library is pleased to sponsor roundtable discussions focused on faculty writings. These discussions are intended to provide an opportunity for participants to be introduced to and engage with the written work of the author.

The chapter “The Charismatic City: Religious Sense and Sensibility for Future Urban Design” from Dr. Wariboko’s book *The Charismatic City and the Public Resurgence of Religion* will be the focus for this month’s discussion. All members of the STH community (faculty, students, alums and staff) are invited and encouraged to attend.

The selection is on reserve at the Theology Library circulation desk, and is also available online. Go to
