

## Completing a Retirement Form-Quick Reference Guide

Complete a **Retirement** form when there is a need is to formally retire an employee from SAP. Always contact your HR Business Partner prior to considering or performing a retirement to determine eligibility. You may complete a Retirement in advance of the last day of employee’s work. For Exempt staff employees, the Retirement form displays accrued vacation hours as of the day the retirement form is completed and SAP will however calculate and payout the accrued vacation hours as of the *actual* retirement date. Please contact the Payroll Department ([bupay@bu.edu](mailto:bupay@bu.edu)) to pay non-exempt (weekly paid) employees for accrued vacation time. The Labor Distribution report (PA15) can give you information about actual payout after the retirement.

For **Retiring Faculty**, always contact the Provost Office to obtain the data for the Exit Survey Section. Upon retirement of the MAIN Assignment, all active Additional Assignments will be terminated as of the effective date of retirement. If the additional assignment being terminated is not in same org. unit of main assignment, an email will be sent automatically to respective payroll coordinators.
