

How to Find and Track an Approved Report: for Approvers

This Quick Reference Guide demonstrates how to find a report in Concur that you have already approved, and how to find the financial posting document number in SAP.

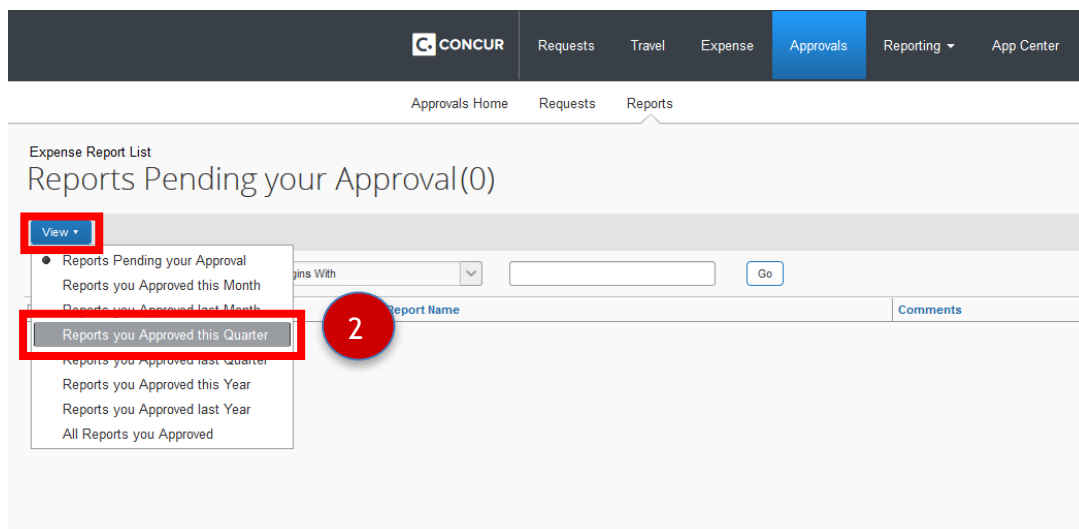

Reports post in SAP the day after they have a status of “Sent for Payment” in Concur.

The top entry will be the date that the report was last approved- once approved by Accounting Review, reports are sent for payment. This is the last step in the Audit Trail.

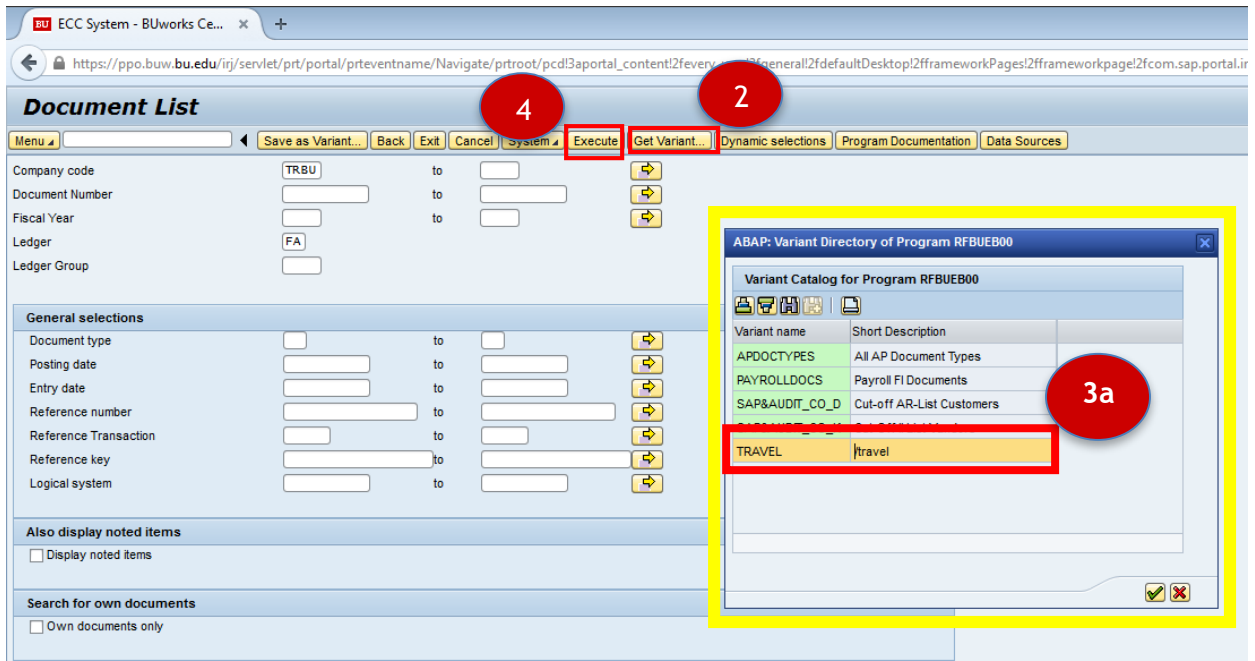

Part Two: Once you have checked the status of the report in Concur, you can use the FB03 function in SAP (WebGUI) to find the financial posting Document Number.

This will display the Document number.

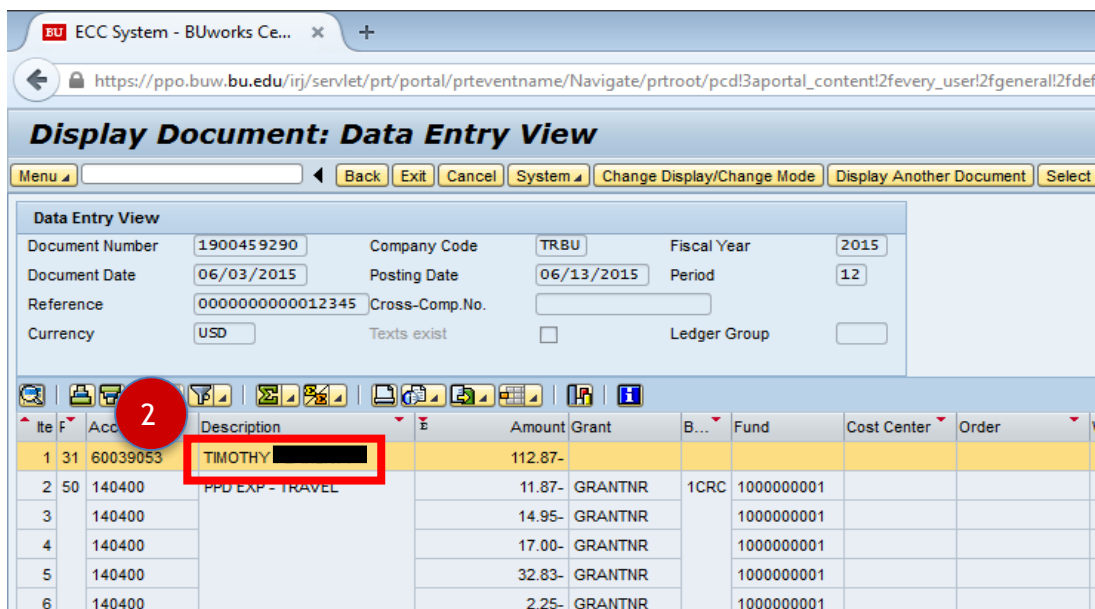

After posting in SAP the payment timeline is as follows:

Payment for Individuals who have signed up for direct deposit for Business and Travel Reimbursements (this is a separate bank from Direct Deposit for Payroll): Payment initiated two business days after SAP posting.
