Short Answer Questions:

Why are you interested in working with Upward Bound/Upward Bound Math Science?

Describe your experiences with high school students (teaching, tutoring, groups, individuals, coursework, etc).
What did you learn about yourself and about teenagers that would help you in this position?

Indicate any other past or current extra-curricular or community activities which might demonstrate your competency as an Upward Bound Tutor:

Boston University Wheelock of Education and Human Development
Upward Bound/Upward Bound Math Science

2 Silber Way
Boston, MA 02215

Personal Statement:

Please write a short (no more than one page) essay describing a challenging aspect of your adolescence, how you worked through it, and how that might help you relate to working with BU Upward Bound students. Feel free to use the space provided below, or attach additional paper/word document.

If there is any additional information you would like to include, please do so:

Please note that all paid staff and volunteers must clear a Criminal Offender Records Information (CORI) check to work or volunteer with our program.

Please return this application along with your resume to:
