If you want to get involved, but don't know where to start, the Boston University Student Activities [website](#) is a great resource. Input basic information and Student Activities will let you know about events, groups, and organizations that match your interests. In the meantime, you can check out the many groups that operate on BU's campus by going to the [Get Involved](#) page.

Volunteer Opportunities

Over the next year, First Gen Connect will be hosting monthly events for first generation college students at Boston University, but we need your help and skills. If you would like to help us with social media, set-up, promotion, or take photos for events, contact Phil Dardeno at pdardeno@bu.edu. Past events have included First Gen Friendsgiving, semester study breaks, financial aid workshops, study skills workshops, and many, many more!
